## Message from the Administration Team

---

At Tuart Hill Primary School, we believe students need to be at the centre of their learning and should have true ownership in their school. Students are given opportunities to have input into decisions, voice concerns and make suggestions to improve their school, as well as being supported to become more aware of the wider community.

Leadership is integral to life-long learning. All students should have the opportunity to develop and demonstrate leadership skills. Student leadership at Tuart Hill Primary include School Leaders, Faction Captains, Media Managers, Mentors, Business and Enterprise and Ambassador leadership roles.

Being a Student Leader is a very important role at Tuart Hill Primary and it will allow you the opportunity to demonstrate your leadership qualities. Student Leaders are the people the rest of the school looks up to and the effort you put into the role will be greatly appreciated by staff, students and parents.

We have high expectations of our Student Leaders and expect you to uphold the core values of our school community in every aspect of school life:

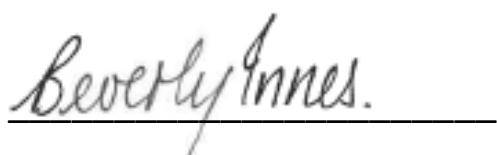

**Learning:** We demonstrate self - discipline, co-operation, responsibility and trust.

**Excellence:** We demonstrate perseverance, confidence, enthusiasm and commitment to tasks.

**Care:** We demonstrate respect, courtesy, consideration and friendliness to others.

**Equity:** We demonstrate fairness, generosity, humanity and empathy.

We wish you well in your endeavours as a Student Leader.

  
Beverly Innes.
