Three Way Conferences – an educational goal-setting conversation between you, your child and the class teacher

On **Wednesday 5 August 2020** we have scheduled a **3 Way Conference interview afternoon** to allow you to discuss your child/rens' educational goals with their teachers. Teachers will be available for interview from 12:30 pm until 6:00 pm on this day, by appointment. Interviews will be conducted in the classrooms and are of 10 minutes' duration.

Specialist Music, Visual Arts and Spanish teachers will conduct an Open Classroom during this time. Parents are invited to visit the Specialist rooms before, after or in between your classroom appointments. Families are invited to contribute to the 2020 Community Art Project during the afternoon and early evening.

If you wish to make an appointment to speak with a Specialist teacher, please email them directly, or request an appointment through me; thank you. Mrs Connolly, Specialist Physical; Education teacher, is available through the School Online Booking System (SOBS) for a three-way conference.

Please book your conversation NOW.

We are using an online booking system to assist parents in securing their preferred interview times.

- If you wish to see any of your child's teacher/s, you need to secure an appointment time using this system. If you do not have access to the internet, your local library may be able to help or, alternatively, you can pop in to the school office and we can help you book a time slot.
- The booking system is accessible from **11.00 pm Tuesday 21 July 2019 to 3:00 pm Monday 3 August 2020**.
- If you book multiple appointments with different teachers, please leave 10 minutes between each booking to allow you to move between classrooms.

To find the booking link visit the school website under 'Latest News - 3 Way Conferences' or type this link into your browser: <https://sobs.com.au/pt3/parent.php?schoolid=1494>.

Please see further information in the attached SOB Parent Booking Information Sheet to assist with making a booking.

The purpose of this day is to have a three- way conversation – your child, yourself and your teacher. Please bring your child with you to your chosen meeting time; thank you.

We request that parents make every effort possible to **collect their child/ren from school at 12:00pm noon** on Wednesday 5 August 2020 to allow staff to conduct three way conferences effectively. However, we do understand there may be some parents who may not be able to alter work rosters or arrange alternate carers. If this is your situation, please ensure you return the slip in the attached SOB Parent Information Letter to the Front Office, thank you. Appropriate supervision will be organised at School.

For further enquires please contact the school on 9 413 1500 or email me at beverly.innes@education.wa.edu.au; thank you.

Student Assemblies

Student Assemblies were something we all missed during the stricter COVID lockdowns. School staff have thought long and hard about how we can return to hosting Assemblies yet still be compliant to Phase Four Government restrictions.

We needed to take into account the number of adults in the Hall, the number of students in the space, how we can limit the time students spend in close proximity to each other while still rewarding student effort and excellence, ensuring our student leaders have a chance to present to a wider audience and engage our students in uplifting events that serve to bring our community together – so important right now.

As a result, we have planned alternate assemblies. Junior Assemblies have changed to Friday afternoon, 2.20 – 2.50 pm, valuing literacy and numeracy learning. Students and teachers of Room10, Room 11, Room 12, Room 13, Room 14, Room 15 and Room 22 (163 students) attend the Junior Assemblies.

Senior assemblies remain at 8.45 – 9.15 in the morning, to avoid a clash with Senior Sport. Students and teachers of Room 3, Room 4, Room 5, Room 6, Room 7, Room 21 (162 students) attend the Senior Assemblies.

The format is shortened to limit time in close proximity therefore class items are replaced with appropriate Community Songs that are known by the specific year levels. Parents are welcome to attend Assemblies but must observe social distancing.

Awarding Merit Certificates is a key part of Assemblies. Parents of those students who are receiving an award will be called a day or so before the Assembly to let them know that their child is receiving a Merit Certificate at the next Assembly see if they can make special arrangements to attend. If you do not receive a phone call, you may still attend, but part of the Government's requirements for Phase Four is the 2 square metre rule for adults – adults will need to socially distance themselves at Assembly which may mean spilling out to the Quadrangle.

Please see the eNews Calendar at the start of this eNews or the attached schedule to see when your child/ren's class is having an Assembly.

Please email me if you have any queries; thank you. I look forward to sharing joy with our students at tomorrow's Junior Assembly, starting at 2.20 pm.

Your Move at Tuart Hill Primary School

Walk there Wednesday was a huge success. Thank you for your enthusiasm! I hope the weather continues to allow as many families who can to walk all the way to and from school, to park a little distance from the school and walk for both drop-off and pick up, or arrange a mini walking school bus.

Our P&C Your Move coordinators have made a fabulous video - <https://youtu.be/dtyQpX-Zoo>. I love the idea of Fuel Free Fridays – what creative parents we have at Tuart Hill!

Term Four 2020 Canteen Menu

The canteen will resume a regular **full Winter menu** this term.

With the Covid restrictions lifted we can now go back to the following:

- Full Winter Menu
- Pizza Wednesday is back
- Cash purchases before school, during recess and lunch
- Lunch wallets can be used (they still need to be hygienically washed regularly at home)
- Full recess menu
- Volunteers are allowed back in the canteen!

Thank you for your support of our canteen during these trying times.

You can stay in touch with what is going on in our school community through [the P&C Facebook Page](#) – make it a favourite! Our Facebook page welcomes **all** Tuart Hill parents and is a one-stop-shop for canteen and uniform news, as well as information regarding school-based events as they are organised.

Next P&C Meeting: **Wednesday 29 July 2020**, 5.45 pm ~7.00 pm, in the School Staffroom. Come along, be part of our successful and active P&C.
