2021 School Planning and Class Placement Requests

Our staff is currently planning how 2021 classes might look, and teachers are looking at constructing next year's class lists. Please help us in our planning by letting the School know via email tuarthill.ps@education.wa.edu.au as soon as possible **if your child will not be returning to our school in 2021**. Thank you.

Do you have a particular educational request for your child moving in next year? Student placements into classes are planned very carefully with a number of factors taken into consideration. These include:

- Special needs
- Friendship groups
- Social skills
- Academic performance
- Educational comments and requests

Comments and requests from parents should be addressed to me, beverly.innes@education.wa.edu.au and must be received in writing by midnight Friday 30 October 2020. I will consider all requests in conjunction with school organisational needs as well as professional advice from staff.

Requests for specific teachers will not be considered.

Please note - the Principal's decision is final.

Please do not hesitate to contact me if you have any queries regarding 2021 classes; thank you.

Physical Education News Week 9 Term 3 2020

Thank you everyone for your incredible assistance on Friday at our annual Faction Athletics Carnival.

I enjoyed the day so much and that is due to your hard work, willingness to take on new roles and your commitment to our students and our school.

If you have any feedback regarding any aspect of the Carnival that could inform improvements for 2021 we would really like to hear from you. We are always looking at improving our school and events that we host.

We are still gathering our photos from the Carnival, and I will create a montage of as many events as I can next week. If you have taken any personal pics, please be mindful of recent social media warnings and only post to closed family groups and never tag any other person in the photo. Once again thank you so much.

Week	Day and Date	Event	Year groups involved	Spectators?? Not sure yet sorry...
10	Tuesday 22 nd September	Interschool Athletics Carnival – Noranda Sporting Complex <i>Selected students</i>	Years 1-6	We will confirm the position all school will be taking regarding spectators for the Interschool Sports. Thank you for your patience.

Interschool Athletics at Noranda Sporting Complex Tuesday 22 September 2020

The competitor list for the Interschool Athletics will be posted on the Sports Notice Board by Monday afternoon. We will access Junior and Senior Sports lessons as well as lunch times to train up our squad, so that they will feel well-prepared, fit and confident on the day. We are excited!

We will be in a position to let parents know regarding spectators at the Interschools by next eNews – in the meantime, please email our efficient and super-organised Phys Ed Specialist cathy.connelly@education.wa.edu.au if you need to clarify your child’s information, and of course I am always available - beverly.innes@education.wa.edu.au.

Thank you for your ongoing positive support of our school.

RU OK?

We celebrated **R U OK? Day** on Wednesday the 9th of September!

R U Ok? Day is about checking in on the people around us to see if they are okay. It is also about reaching out if we need some support.

At Tuart Hill Primary School we celebrated by wearing **yellow!** As a visual reminder to check in with those around you.

We danced to some fun songs in the morning and learned about the R U Ok? Day message. We also spoke with our partnership students during recess on the buddy benches and completed activities in class. Remember that checking in on those around us is something we should do every day 😊. Thank you to everyone who got involved in **R U OK? Day!**

Featured Family Of The Week

We know that the community spirit at Tuart Hill Primary School has always been one of the school's strengths, but that your ability to engage with each other has been impacted by Covid 19 restrictions. To help address this, Bianca and I, Aletia, the social work students currently at the school thought you might like to connect with each other through technology in the form of the school letter.

Each week, we would like to invite a different family to share something special about their culture in the weekly newsletter. Please see below some ideas of what you might like to include in your posting:

- A photo of your family, your favourite place or thing to do as a family
- Some useful words in your first language to say: hello, thank you and goodbye
- A popular children's game in your culture
- A link to a popular children's story in your culture
- A link to a popular song in your culture
- A favourite family recipe
- The first or most helpful thing you learned about adapting to life in Australia
- Your advice to children growing up in 2020

If you would like to contribute, please get in touch with either Bianca or myself, Aletia via email or potentially informing your child's teacher.

We look forward to hearing from you and learning more about everyone here at Tuart Hill Primary school.

Kind regards Aletia - email: corr0075@flinders.edu.au and Bianca - email: bianca.wood@student.curtin.edu.au

Desperately seeking – Honorary Treasurer for our very active and involved P&C

Desperately Seeking

...an honorary Treasurer. We need someone who can bank, keep a spreadsheet of credits and debits, pay our accounts and help us keep track of the funds we raise each Term that supports educational opportunities for our children at Tuart Hill school.

Is there a parent who is an accountant who could offer our school this much-needed service, in an honorary capacity? Please contact the P&C Executive through pandcths@gmail.com; thank you.

Thank you, all parents, for **your support of our Bake Sale** at the Faction Carnival. We really appreciate that you baked, donated then purchased! What a superb community we are! Thank you.

All funds raised by the P&C are expended in the year they are raised on educational items and equipment that benefits your children. Currently members are considering:

- a Nature Play addition for the Senior play space;
- indoor-outdoor carpet for the Hall (marked with Badminton courts to encourage even greater variety of sports to be easily accessed);
- huge fans for the Hall – remember how stifling the Hall is when it is hot?;
- an upgrade to the Sound System in the Hall

...as well as the usual donations to increase the Library collection, support the provision of quality reading series, add to Maths equipment to enable 'hands-on' practical exploration of maths concepts, allow ongoing replacement of Sports equipment and contributions to the cost of replacing the schools' technology. Do you have any other thoughts that you would like the P&C to consider? Email pandcths@gmail.com with your suggestions; thank you.

Members of the P&C think about making expenditure choices against the following suggested criteria:

- Does the suggestion/item/idea support the schools' values of Learning, Excellence, Care and Equity?
- Does the suggestion/item/idea benefit a wide range of students, frequently, over several years?
- Will the suggestion/item/idea build our community in a positive way?
- Will the suggestion/item/idea positively promote Tuart Hill Primary School as a high quality educational institution?
- And of course – do we like the suggestion??

All parents in our school community are invited to attend P&C meetings at any time, and all those who are members of the P&C (by paying a \$1 fee and/or the P&C Voluntary Contribution) are eligible to vote on motions. Come along! The meetings are fun, and efficiently managed.

State Schoolboys AFL 12 Years & Under Trial Opportunity

Due to the COVID-19 pandemic all national championships in 2020 were cancelled. While this is still the case School Sport WA has given permission for the State Schoolboys AFL 12 Years & Under officials to go ahead to run a trial process to select a team in name only. The young men selected will be given the opportunity to participate in a number of training sessions and play a scratch match against or 2021 team. We are the only sport that is taking up this opportunity.

Our trials start during the second week of the upcoming school holidays. Any boy whom you believe may enjoy the opportunity to test his footy talents against some of the best juniors in the state is invited to nominate. They must be turning 12 years or under during 2020 to be eligible to trial for our team.

All information regarding the trial can be found on the School Sport WA website: www.schoolsportwa.com.au

Alternatively parents and carers can use the below link to go straight to the nomination page:

<https://www.schoolsportwa.com.au/product/afl-boys-12s-interstate-nomination-form/>

If you have any queries in regards to this information please don't hesitate in making contact with Alex McLennan, Alex.McLennan@education.wa.edu.au. I look forward to hopefully receiving some nominations

Alex McLennan, Team Manager, State Schoolboys AFL 12 Years & Under Team, School Sport WA

Secondary School Opportunities

The Specialist Soccer Program at Dianella Secondary College welcomes children with a passion for soccer. We aim to develop both players and people, expanding their skills and knowledge in a friendly and welcoming environment. Participating students will work on their individual skills and techniques, team based strategies and tactics while also focusing on their personal and social skills, developing confident and respectful young leaders.

The Lower School program is open to both boys and girls of all skill levels, from which the most enthusiastic and hardworking students are selected for the Year 7 program and beyond. The overall aim of the program is for students to learn about the world's most popular game, while creating healthy habits for life, in a fun, enjoyable team based atmosphere. The program continues into Upper School where the course provides further opportunities to develop as players and become accredited coaches and referees.

For more information or to apply, please visit <http://www.dsc.wa.edu.au/specialist-soccer.html> and fill out an application form, and attend a trial on the 9 or 22 September.
