There Is No Planet B MUSICAL triumph!

Our actors performed Friday morning for the PP, Years One and Two classes, and then for parents and guests from 4.00 pm, with resounding success! The message is clear – look after the Earth because **There Is No Planet B!**

Congratulations, Mrs Edwards, on your writing, management, production and performing arts skills – the Musical was awesome. Congratulations to ALL students Years 3,4,5 and 6 – accolades to the Special Actors! This Musical is inclusive, and meaningful.

Thanks to the parents and staff who helped Mrs Edwards in so many ways - being positive friends and colleagues, supporting rehearsals and making sure everything runs smoothly behind the scenes. Thanks soooo much for the help with sound, seating set-up, preparing and placing props, photos and video....Kudos to all!!

Junior Nature Play Stage One installation

We are pleased that our Junior Play space is receiving a welcome addition.

Work on Stage One of a Nature play area will commence next Wednesday 4 November 2020. To ensure safety the work area will be fenced off and this will impact on the path from Cape Street into the school through the Junior playground. Access is still available through the lower gate but parents will need to walk on grass for some of the way, which may be troublesome for pushers and prams.

Work is planned for 7 days, but may extend to 10 – we apologise for any inconvenience.

Book Week Extended – we welcomed a Guest Reader

Past student, current School Board Member and positive advocate for Tuart Hill Primary School, Mr David Michael MLA visited our School Library to donate a book for Book Week.

His audience enjoyed hearing about *Bat and Poss*, who needed to solve a dilemma that was affecting their neighbourhood. The message in this Australian story is very appropriate for our school as it involved successfully negotiating a positive compromise.

Thanks for brightening our day Mr Michael and thanks for adding to our Library collection.

Physical Education News Week 3 Term 4 2020

This week all classes have been playing *cricket, cricket and more cricket!* I am so proud of our students from PP-Year 6 that are showing incredible batting, bowling and fielding skills in this sport.

The **LAPATHON** is two weeks away and will be held on Friday 20 November (week 6). The theme this year is “Fluro Fun Friday” and our P and C will be hosting a sausage sizzle at the end of the event.

All of the required information will be available next week.

Please email me Catherine.connolly@education.wa.edu.au if you have any questions; thank you.

SCHOOL PHOTO DAYS AT Tuart Hill – Wednesday 11 November and Friday 13 November 2020

For the duration of COVID-19, please be aware that Kapture photographers are following all recommended health guidelines and safe practices. Photographers will use verbal queues and instructions in an effort to uphold a high standard of student presentation. Students may be instructed by photographers to use single use sterile combs, use wet wipes or tissues, to fix collars, buttons and stray hairs - without physically touching students.

Our school photo day is coming! Approximately two weeks prior to the photo day every student will receive a Kapture Photography order envelope to bring home. The recommended method of ordering your photos is online through Kapture's website as your payment is secure and can be easily verified at any time. If you pay online, there is no need to return the order envelope to school.

Alternatively, you can pay by cash and return the provided envelope to the school on the photography day. Please note the photographers cannot open sealed envelopes and cannot provide change.

Sibling orders can only be placed online at www.kapture.com.au

You have the option to order a sibling photo package online, however please note there is a physical limit in the school schedule to how many sibling photos can be taken. Once the maximum capacity of sibling orders has been reached, no more sibling orders can be placed.

If maximum capacity is not reached, sibling orders **close 12pm midday sharp, AT LEAST one business day prior to the first photo day**. Enter your school code **now** in the Order Online page of our website for a live countdown.

The school or the photographers cannot accept late orders for sibling photography. Please do not ask as your request simply cannot be accommodated.

Order now to avoid missing out!

Late payment envelopes cannot be accepted by the school office or by Kapture. You can place an order online for class or individual photographs at any time for the remainder of the current school year; however, a \$20 fee will apply if you order more than 10 days after photography.

If your child is in a sports or special photo, you can use the same school code on your order envelope to view and order these photos on Kapture's website, around the time that school photos are ready to be delivered. Please note; class, individual and sibling portraits are not available to view online prior to purchase.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on **9240 1714** or email **enquiries@kapture.com.au**.

*All students will be photographed individually on photo day for school administration records AS WELL as included in their class group presentation available for purchase to all families. Should there be any reason why your child should **NOT** be included in the photo shoot –please contact the school office.*

Department of Transport Shared Path Survey

The WA Government is expanding the Mitchell Freeway Principal Shared Path (PSP) between Glendalough Station and Reid Highway to improve connectivity and safety for people riding and walking. The section from Glendalough Station to Hutton Street opened in July 2020 and planning is underway for the section from Civic Place to Reid Highway.

Painted Dog is assisting the Department of Transport to evaluate this project from start to finish and as such we are conducting an online survey to hear from community members who live, work, learn or travel in the areas surrounding the new path as well as the planned path. We would appreciate you sharing this information, including the survey link below, with your community and contacts. The survey will close on **30th November 2020**.

The survey takes approximately 10 minutes to complete. All data collected is anonymous and only used by the Department of Transport to understand how people use the PSP network and help continue to improve it.

Complete the survey at: <https://rewardingviews.com/uc/20126A/?a=tuarhillps>. Thank you for your support.

Please contact the Department of Transport team if you have any further queries on the project or survey via email at cycling@transport.wa.gov.au.

Term Four School Community Staff Recognition Awards

Our community recognises and appreciates others who make a significant difference to the education of our students through their knowledge, efforts, sharing and attitude.

All staff members (including teachers, education assistants, gardeners, cleaners, office and support staff) can be nominated. The Principal is excluded from the nomination process. There is no restriction on how many people you can nominate, however please use one nomination per form.

Please consider who has made a difference to your child/ren and your family through their exceptional work in our school. Positive acknowledgement is especially relevant in 2020, where all of our lives have experienced change due to the impacts of COVID-19, as our staff have demonstrate above-and-beyond flexibility, creativity and professionalism.

Write a few sentences on the attached a nomination form outlining why you appreciate that person's efforts, and place the nomination in the box at the Front office or via return email to beverly.innes@education.wa.edu.au prior to **3.00 pm Monday 23 November 2020**. All nominees receive a letter containing the kind words from the person who nominated them; staff really appreciate these sentences of acknowledgment of their efforts.

The School Board thoroughly enjoys collating all nominations, and collectively the Board will select the recipient of the School Community Staff Recognition Award for Term Four 2020.

I look forward to receiving your nominations on behalf of our staff. Thank you!

Our P&C needs your help!

We have a wonderful opportunity and will be running a sausage sizzle at Bunnings Innaloo on **Saturday 7 November** and are looking for volunteers. We haven't had a lot of fundraising opportunities this year so your support would be greatly appreciated.

Due to new COVID regulations we need more volunteers than previous years so if you can spare a couple of hours on the 7th that would be awesome. Volunteers can be mums, dads, aunts, uncles or even grandparents - volunteers just need to be over 18.

To sign up just follow the instructions on the link here, it only takes a few seconds. volunteersignup.org/M9JEE

Thank you for volunteering.
