Junior Merit Certificate Winners 6 November 2020 – Congratulations!!

We are very proud of how you demonstrate our values of Learning, Excellence Care and Equity. Thank you!

2020 Talk Off

Congratulations to all students who crafted a Talk Off speech and presented in front of their class. The very fact that you had a go makes you a winner in our eyes. Its terrifying enough to speak in front of your friends, so we applaud the class winners who shared their knowledge and spoke confidently at our Talk Off Championships.

Mrs Donald, thank you again for leading the Talk Off Competition into 2020. The value of this oral language exposition is clear as we observe our students' presentations improve in quality and content.

Our esteemed Judges had a very hard time selecting winners, as they spoke of how impressed they were with the quality of all the Talks. Many thanks to **Mrs Lorraine Hams**, previous School Board Member and continual positive advocate for Tuart Hill Primary School, **Mrs Di Mount Bryson**, highly valued educator, current School Board Member and affirmative advocate for Tuart Hill Primary School and **Mrs Laura Clarke**, respected educator and another positive representative of Tuart Hill School for your discerning thoughts, careful attention and vigilant scoring. We really appreciate your time and respect your assessments.

Term Four School Community Staff Recognition Awards

Our community recognises and appreciates others who make a significant difference to the education of our students through their knowledge, efforts, sharing and attitude.

All staff members (including teachers, education assistants, gardeners, cleaners, office and support staff) can be nominated. The Principal is excluded from the nomination process. There is no restriction on how many people you can nominate, however please use one nomination per form.

Please consider who has made a difference to your child/ren and your family through their exceptional work in our school. Positive acknowledgement is especially relevant in 2020, where all of our lives have experienced change due to the impacts of COVID-19, as our staff have demonstrate above-and-beyond flexibility, creativity and professionalism.

Write a few sentences on the attached a nomination form outlining why you appreciate that person's efforts, and place the nomination in the box at the Front office or via return email to beverly.innes@education.wa.edu.au prior to **3.00 pm Monday 23 November 2020**. All nominees receive a letter containing the kind words from the person who nominated them; staff really appreciate these sentences of acknowledgment of their efforts.

The School Board thoroughly enjoys collating all nominations, and collectively the Board will select the recipient of the School Community Staff Recognition Award for Term Four 2020.

I look forward to receiving your nominations on behalf of our staff. Thank you!

SCHOOL PHOTO DAYS AT Tuart Hill – Wednesday 11 November and Friday 13 November 2020

For the duration of COVID-19, please be aware that Kapture photographers are following all recommended health guidelines and safe practices. Photographers will use verbal queues and instructions in an effort to uphold a high standard of student presentation. Students may be instructed by photographers to use single use sterile combs, use wet wipes or tissues, to fix collars, buttons and stray hairs - without physically touching students.

Our school photo day is coming! Approximately two weeks prior to the photo day every student will receive a Kapture Photography order envelope to bring home. The recommended method of ordering your photos is online through Kapture's website as your payment is secure and can be easily verified at any time. If you pay online, there is no need to return the order envelope to school.

Alternatively, you can pay by cash and return the provided envelope to the school on the photography day. Please note the photographers cannot open sealed envelopes and cannot provide change.

Sibling orders can only be placed online at www.kapture.com.au

You have the option to order a sibling photo package online, however please note there is a physical limit in the school schedule to how many sibling photos can be taken. Once the maximum capacity of sibling orders has been reached, no more sibling orders can be placed.

If maximum capacity is not reached, sibling orders **close 12pm midday sharp, AT LEAST one business day prior to the first photo day**. Enter your school code **now** in the Order Online page of our website for a live countdown.

The school or the photographers cannot accept late orders for sibling photography. Please do not ask as your request simply cannot be accommodated.

Order now to avoid missing out!

Late payment envelopes cannot be accepted by the school office or by Kapture. You can place an order online for class or individual photographs at any time for the remainder of the current school year; however, a \$20 fee will apply if you order more than 10 days after photography.

If your child is in a sports or special photo, you can use the same school code on your order envelope to view and order these photos on Kapture's website, around the time that school photos are ready to be delivered. Please note; class, individual and sibling portraits are not available to view online prior to purchase.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on **9240 1714** or email enquiries@kapture.com.au.

*All students will be photographed individually on photo day for school administration records AS WELL as included in their class group presentation available for purchase to all families. Should there be any reason why your child should **NOT** be included in the photo shoot –please contact the school office.*

Department of Transport Shared Path Survey

The WA Government is expanding the Mitchell Freeway Principal Shared Path (PSP) between Glendalough Station and Reid Highway to improve connectivity and safety for people riding and walking. The section from Glendalough Station to Hutton Street opened in July 2020 and planning is underway for the section from Civic Place to Reid Highway.

Painted Dog is assisting the Department of Transport to evaluate this project from start to finish and as such we are conducting an online survey to hear from community members who live, work, learn or travel in the areas surrounding

the new path as well as the planned path. We would appreciate you sharing this information, including the survey link below, with your community and contacts. The survey will close on **30th November 2020**.

The survey takes approximately 10 minutes to complete. All data collected is anonymous and only used by the Department of Transport to understand how people use the PSP network and help continue to improve it.

Complete the survey at: <https://rewardingviews.com/uc/20126A/?a=tuarthillps>. Thank you for your support.

Please contact the Department of Transport team if you have any further queries on the project or survey via email at cycling@transport.wa.gov.au.
