Music Assembly Friday 4 December 2020

2020 Music Assembly

Mrs Fay Edwards produced a brilliant **Music Assembly** that show-cased our fantastic **Junior Choir**,

the awesome **Senior Choir**,

our **Flautists**,

Brass players,

Classical Guitarists

And
**individual
soloists.**

Congratulations all participants -
we are very proud of how you
demonstrate our values of
**Learning, Excellence, Care
and Equity.**
Thank you!

Tuart Hill Student Leaders Welcomed to the Western Australian Parliament

The **2020 Student Leaders** joined our community champion, School Board Member, former Tuart Hill Primary School student who also happens to be our local Member of the Legislative Assembly and Parliament Whip **Mr David Michael** for lunch at Parliament House yesterday 4 December.

It was an awesome experience for our student leaders. Ms Cheeseman, lucky accompanying teacher, was so proud of our students, demonstrating impeccable manners (they knew which cutlery to use for which course when presented with settings of over eight items!!) and perfect professional decorum throughout the tour of Parliament House.

We are proud of you, Tuart Hill Student Leaders!

2020 Lapathon - a resounding success!

Our Annual Lapathon was a wonderful afternoon, topped off with a free sausage sizzle inclusive of all our community, coordinated by our Parents and Citizens Association.

Congratulations to the students (and their families!) photographed above – you raised the most and second-most money for your year group in 2020! You have won a gift voucher to spend at a sports shop – Congratulations!!

A record has been set for the total funds raised ever from the Annual Lapathon – so far this year **\$9867.90!!**

This awesome amount will be added to last years' funds to enhance the Senior Play space. Students will have a say in what is placed – I am so excited to start gathering quotes to find out what we can achieve with about \$17 000.

Physical Education News Week 8 Term 4 2020

We have been fortunate to have many visitors to our school this week to assist our students with various physical activities. This has been made possible by a grant that our school received from Sporting Schools. Many thanks to these coaches for teaching our students this week:

- Rugby WA - Hugh
- Triathlon WA – Anne and Graham
- Orienteering WA – Moreen
- Northern Districts Gymnastics Club – Gabe

Please email me Catherine.connolly@education.wa.edu.au if you have any questions; thank you.

Cathy Connolly, Physical Education Specialist

2020 Tuart Hill Netball Roundup

2020 brought some new challenges to the Tuart Hill Netball Club but in spite of COVID and restrictions we were all so happy to take to the courts for a shorter winter season with three teams!

Kerri Anne stepped up to coach a **Year 2 Team** for the first time and they had a fantastic season.

Becky led her **Year 3 Team** successfully through winter and also into spring competition.

Jess coached the **Year 4/5 Team** in winter through a victorious NETSETGO competition.

In spring, we decided to move up to the **Year 5 Netball Competition** with new players joining and now with the higher goal posts and grown up rules! It's been a steep learning curve for the kids but they have worked together so well and we had our final well deserved win this last week. They ended up coming **third** in their division. Congratulations girls on a successful season!

Coaching workshops

Finally, we finished off our winter season with four fabulous Netball coaching workshops organized by Mrs Connolly. We are very thankful for this opportunity and as coaches, we learned a lot and gained new skills and ideas about how we can coach and grow our teams.

We had two lovely professional netball coaches called Elle and Anna who came for four weekly hour long sessions with all our coaches and ran through drills and coaching activities with the teams. These sessions were challenging for the

teams as well as giving the coaches an opportunity to “learn on the job”. I know I came away with many fresh ideas and enthusiasm.

Can we also just say how thankful we have been to **Mrs Connolly** this year for her unwavering support at encouragement to us and the kids in netball? We have appreciated Mrs Connolly’s interest and she also ensures we have the equipment and resources we need. In particular, the coaching sessions this term have been fantastic. Individually tailored to the needs of each of the coaches and their teams. Really valuable and effective.

So that’s it for 2020, we hang up our bibs and rest up for winter 2021. We hope all our current players return and maybe even some new ones! We will keep you posted in term one when preseason training will start again.

Well done everyone.

Jess Castles Tuart Hill Netball Club Coordinator with support from you all...

Term Three School Community Staff Recognition Awards

Our community recognises and appreciates all school staff, because they make a significant difference to the education of our students through their knowledge, efforts, sharing and attitude. Each Term the School Board calls for nominations for the Staff Appreciation Awards and chooses a worthy winner from the nominations.

All nominees receive a letter containing the kind words from the person who nominated them; staff really appreciate these sentences of acknowledgment of their efforts. Thank you for submitting nominations!

Nominations always presented a challenge for the Board to select winners, and for Term Four the Board was thrilled to need to think very hard to award one winner from among eight worthy nominees.

Congratulations Fay Edwards!

Fay developed and facilitated a school musical that was presented in Term 4 2020. The decision to take this project on, in a year full of uncertainty, and indeed not knowing if it would even be able to be performed, just shows her commitment to her students.

The musical was an epic project. Fay volunteered her own time outside of school, in the school holidays for busy bees, lunchtime rehearsals, driving to pick up sets from other schools and I’m sure so much more we did not see.

The musical was excellent. The attention to detail and inclusion meant it was a performance every student was proud to be part of and the school was buzzing about it in the preceding weeks, and certainly on the night.

She demonstrated equity by involving all students, as well as those in the choir. In a year where all other performances were cancelled, the decision and commitment to organise and execute this performance was an absolute shining moment for our children.

Effort, attitude, focus, accomplishment – everything! Thank you so much Fay, we are so lucky to have you at our school.

Fay Edwards, you are a star without a doubt!

As a parent nominated candidate, the Board would like to take this opportunity to thank you for your commitment to enriching the school. **Thank you for your dedication and diligence.**

Community News

The City of Stirling's school holiday programs keep kids active and engaged during the school break. Registrations are open to children from 5-12 years and sports and programs are run by fully qualified instructors and coaches.

- Festive Christmas cooking and craft programs are available at Hamersley Leisure Centre between 21st – 22nd December, \$30 per session.
- Sports holiday programs will run at Scarborough, Mirrabooka and Hamersley Leisure Centres; from 11th – 29th January 2021 from 8.45am to 12.30pm. Early bird of \$20.00 per session if paid before 23 December or \$25 per session thereafter.

To view the program timetable and register online visit: www.stirling.wa.gov.au/schoolholidays

Stirling Libraries Summer Reading Club

HOW IT WORKS

Library members can register for the Summer Reading Club at any Stirling Library branch by completing a registration form with a librarian.

Registrations open on 1 December 2020

If you are not already a member of the library, you can join for FREE and then register!

Each record is submitted when 10 books or 10 x 15 minute blocks of reading has been achieved.

In the Reading Log sheet, there is a space to write the names of the books you read.

When you have completed the reading log, hand the log to one of our friendly aliens (librarians), who will sign the log and place it in for the Major Prize Draw!

You may request additional logs to continue reading and may enter the draw for every reading log you complete. You will get an incentive prize every time you return a completed log, and each reading log gets you in the Major Prize Draw!

THE SRC CLOSSES ON 22 JANUARY 2021, STIRLING LIBRARIES WILL HOST A LANDING PARTY AND ALL REGISTRANTS WILL BE INVITED!
