Dear Parents and Carers, School Board and Staff,

**Yr 4,5,6 Swimming Carnival Friday 5 March - CONGRATULATIONS!!**

Despite a drizzle of rain first thing in the morning, the 2021 Swimming Carnival was a tremendous success.

Mrs Connolly organised a mix of traditional 25 m races across all strokes and challenging novelty events, that allowed every student in our 4,5 and 6 classes several opportunities to get wet and have fun.

Class teachers and parents shared jobs on the day, and we relished the opportunity to spectate! The parent/carer/grandparent cheer squad was in full voice all morning, resulting in lots of cups of tea and coffee being sold (\$130 was added to the P&C Fundraising balance sheet – thank you for your support!).

The day belonged to the students, who demonstrated talent, determination. Perseverance and positive sportsmanship. How proud are we of our students, who either sped with confidence up and down the pool or overcame their worries to participate and therefore gather points for their factions.

Final results were:

Scorpio	907
Aquarius	618
Leo	597

Congratulations to the following Champions and Runner-Up Champions:

	Champion	Runner-Up Champions
Year Four Girls	Mirelle	Saoirse
Year Four Boys	Dominic	Maxim
Year Five Girls	Zoe	Caris
Year Five Boys	Ethan	Alfie
Year Six Girls	Pepper	Leah
Year Six Boys	Francois AND Dean	Isaac

Thank you everyone for the part you played in making Friday a wonderful day. It was a joyous Swimming Carnival.

**A note of caution** - I remind parents:

- not to post photographs that include children other than your own to social media,
- that photos and videos that include children other than your own must be deleted within a reasonable time and
- that photos should not be tagged if they are posted to social media.

**Thank you** for your consideration in regard to this, and please see me if you have any queries regarding this request.

## Meet some of our teachers 😊 ...

My Name is Kylie Enriquez-Nau and I am excited to be teaching PPB again this year! I have been teaching since 2007 and have had the opportunity to teach most year groups, however the majority of my experience has been teaching Kindy and Pre-Primary. I love teaching in the early years and strive to make my classroom a welcoming and engaging space for all of my students to thrive in.

When I am not at school you'll likely find my running around after my own children!
