Your Move Student Team 2021

Tuart Hill Primary School was awarded Platinum status for the efforts of our students, the school community and particularly our Your Move Parent Team during the year. Amazing!! Congratulations to us all!

2021 sees Your Move commence with the Student Your Move Student Team.

Year Five students are selected to lead this team, and are now partners for our parents in all school-based Your Move activities, such as Fuel Free Fridays, Walk There Wednesdays, Hands Up surveys, National Ride to School Days and any other Your Move initiative.

The next exciting event for our student Your Move ambassadors will be painting signs to show safe ways to walk, ride or scoot to our school. How exciting!

Our School – world-wide audience

Our Year Six students made a video with Wendi from [Balthazaar Media](#) as part of a grant from the [Office of Multicultural Interest](#) that has now been posted on the [Public Education of Australia Facebook page](#). We are (probably!) famous!

Congratulations to all involved, and thank you for promoting Tuart Hill Primary School as a great place to learn, play and build relationships.

Oral Language News

Over the weekend, students might like to make a sock puppet, a fake microphone and a puppet theatre/screen.

We would love donations of extra-large boxes to create some puppet theatres, castles, buildings and etc. Please drop off outside Room 2.

Please email me ruth.rice@education.wa.edu.au if you have any questions. Thank you.

CONNECT for Parents – our major communication platform from NOW

By now you have probably heard others in our school community talking about the introduction of the online environment called [Connect](#).

In case you were unable to attend the information sessions or have missed the discussion around Connect use in our school, here is a run-down about it.

Connect is a secure online environment developed by the Department of Education for staff, students and parents in public schools. It will give our teachers a tool to deliver content to the students via an online classroom.

This means your children will be able to share with you what they are learning about, submit assignments and discuss issues together online anywhere, anytime.

For you, Connect provides easy access to information relevant to your child's classes and learning such as assessments, teacher feedback and attendance data.

We will use Connect to keep you updated with important information. Notices for things like upcoming events, excursions, classroom activities, photos and stories can be sent to you via email or, if you prefer, via a push notification on your phone.

How do I find out more?

- Check out the short video clip on Connect at <https://vimeo.com/connectwa/welcome>
- Download the Connect flyers for you and your child from Connect.
- Come and chat to Mrs Bell 😊

Kind regards, *Joe Bell* Associate Principal
