Dear Parents and Carers, School Board and Staff,

Junior Assembly Merit Award Winners – Congratulations!

Our students demonstrate positive learning behaviours and strive for excellence. We are proud of you!

Please Keep Home Items At Home – There Is No Trading At School

It has come to my attention that some of the students in our school have been 'trading' items and toys from home. Unfortunately, this has caused some of students distress as they either 'lose' a toy, or 'lose' money in the trade.

At Tuart Hill PS, trading of items between students is not permitted. Students should not, under any circumstances, be trading items or giving money to their peers. The students have been explicitly reminded of this.

We would appreciate your support in this matter by encouraging your child to keep toys (including fidget toys and poppets) at home. If your child does bring a toy to school (without prior discussion with the class teacher), the item will be stored safely on the teachers' desk and returned to the student at the end of the day.

We have ample sports and play equipment for students to use at recess and lunch time. The school will not take responsibility for the loss or damage of personal items that are brought to school.

If you have any further questions or queries this matter, please do not hesitate to contact myself, or your child's classroom teacher.

Tuart Hill Primary School Happy To Receive A Grant From The City Of Stirling

Today we were pleased to welcome **City of Stirling Councillor Spagnolo** to our Senior Assembly.

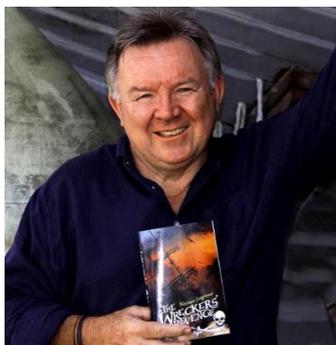

Councillor Spagnolo commented on how proud he was to present our school with a Certificate of Success for a Waste Wise grant. **Mrs Terri Snart**, on behalf of the Sustainability Committee, our students and the future planet, applied for a grant for our school to refurbish our Worm Farms so that our school may recycle food waste and therefor reduce waste going to landfill.

Ms Teixeira and Mr Raschilla proudly accepted our certificate, acknowledging the contribution our school is doing as part of the City of Stirling Living Green Schools.

The Sustainability Committee is pleased to work with all our teachers and students to refocus our school on Water Wise actions, paper recycling, energy efficiency, Your Move Transport options, planting and caring for our green canopy and gardens. Thank you very much everyone involved. Such a positive initiative.

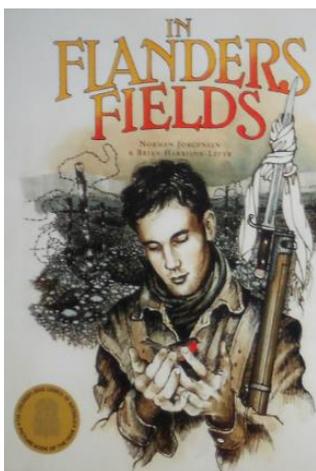

Norman Jorgensen – inspiring the Authors of Tomorrow at Tuart Hill Primary School Monday 21 June 2021

Norman Jorgensen is a world-famous author who loves talk about his craft in the hope that others will catch the writing bug.

Our Year Five and Six students have been thrilled to share his latest book, *The Wreckers' Revenge*, which has excited and teased readers of the West Australian Newspaper as mini chapter by mini chapter is released weekly, keeping our classes on tenderhooks as their feagerly await the next edition.

Norman visited classrooms and commented on the rich imagination and wise questions he was asked by our students.

We were thrilled to see a real Children's Book Council of Australia Award, which Norman won for his story 'In Flanders Fields' – you must read it.

Thanks very much to Mrs Snart and Mr Raschilla for organising this wonderful incursion.

We spoke like pirates, acted like Pirates and then – wrote a priate story. Awesome experience!!

Thanks Mr Jorgensen!

Semester One 2021 Summative Reports posted to Connect TODAY Friday 25 June 2021

I have emailed all parents your child/ren’s Semester One 2021 Summative Report and the School Position Report. Both of these reports have also been added to each student’s Connect page, because Connect keeps the Report for ever. The email link disappears after four weeks, which is annoying – the Connect platform is the approved Department of Education’s communication method, and will host student data on servers in Australia for as long as parents wish that data to remain there.

Please read your child/ren’s report through with them to find the improvement suggestions that each class teacher makes. There will be an opportunity early in Term Three to make an appointment with your class teacher/s to have a **three-way conference** – you, your child and the teacher – to set improvement goals for Semester Two. We hope to work with you to support every student at Tuart Hill Primary School to make the best progress and to achieve to their potential. Please look out for a call for appointments early next term.

I encourage parents to persist in using their Connect platform so that any wrinkles in connection can be ironed out. Please come past the Front Office and the Admin team or our front office staff will step you through the connection and make sure your password works nicely for you.

In the meantime, for the next period of time, I will continue to use both Connect and email so that school communications can reach as many of you as we can. Thank you for your patience as we transition to the more secure, Department recommended platform that we trust will develop into a useful, informative communication tool.

Tuart Hill Students Shine at the Lightning Carnival Day Thursday 24 June 2021

Many thanks to the teachers and parents who made it possible for our students to enjoy a full day of Australian Rules Football, Soccer or Netball. I have been proud to hear of many instances of excellent sportsmanship and plenty of energy and persistence. Congratulations, Tuart Teams!!

Well done to the **Senior Choir** today as they sang one of the songs from the Massed Choir Festival, 'The wild Colonial boy'. There were so many words to remember and they did a great job!

The rest of the School joined in on the chorus with the actions as my Pre Service teacher Miss Rahimi helped to lead the chorus on her last day.

Important dates for the fridge:

- **Junior and Senior Choir** will both be performing at **Crown Theatre** as part of Schools make Music Concert Series. ***Monday August 9th at 7pm, at Crown Theatre. (Week 4, Term 3)**

Tickets have gone on sale; here is the link. Get in early to get the best seats, before they sell out. Let's get a big audience to support Tuart Hill Primary school. Invite everyone, it will be an Amazing night.

<https://www.ticketmaster.com.au/schools-make-music-burswood-western-australia-08-09-2021/event/25005AB9824E0AA9>

Junior Choir will then perform as part of the **One Big Voice festival** at Perth arena.

- **Friday August 20th at 12.00pm (Week 5, Term 3)**

Parents, Grandparents and care givers, book your leave and enjoy an **Amazing** lunchtime concert.

Senior Choir will perform as part of the **Massed Choir festival** at the Perth Concert Hall.

- **Friday September 17th at 7.30pm at the Perth Concert Hall, (Week 9, Term 3)**

Junior and Senior Choir will have the opportunity to participate in **Telephon** at **Optus Stadium**.

- **Sunday October 17th at 10am (Term 4, week 2)**

Permission notes for the festivals will be coming out at the beginning of term 3.

Thanks to parents and caregivers for getting your children to Choir rehearsals on time on Tuesdays and Wednesdays in the cold gloomy weather.

There is only 1 more week left of term.

Thanks so much for your support of the Music Program.

Happy Singing!!

Fay Edwards Music Specialist

Please Keep Home Items At Home – There Is No Trading At School

It has come to my attention that some of the students in our school have been 'trading' items and toys from home. Unfortunately, this has caused some of students distress as they either 'lose' a toy, or 'lose' money in the trade.

At Tuart Hill PS, trading of items between students is not permitted. Students should not, under any circumstances, be trading items or giving money to their peers. The students have been explicitly reminded of this.

We would appreciate your support in this matter by encouraging your child to keep toys (including fidget toys and poppets) at home. If your child does bring a toy to school (without prior discussion with the class teacher), the item will be stored safely on the teachers' desk and returned to the student at the end of the day.

We have ample sports and play equipment for students to use at recess and lunch time. The school will not take responsibility for the loss or damage of personal items that are brought to school.

If you have any further questions or queries this matter, please do not hesitate to contact myself, or your child's classroom teacher.

Sustainability Snippets – Plastic Bottle Tops are Recycled at Tuart Hill Primary School

Did you know our school recycles plastic bottle tops? Clean. Washed bottle tops may be placed in the clear container located in the Canteen. YOU can make a difference to our environment!! Visit [\(20+\) Bottle Top Hill | Facebook](#)

One plastic bottle top sent to landfill is one too many.

If you feel you won't make a difference, at [Bottle Top Hill](#) we are here to tell you that you can!

Whilst the big companies, financial institutions and government bodies define new pathways to be more sustainable, WE are the consumers, and WE are a significant player in the whole process.

If YOU are the only one in your home collecting plastic drink bottle tops, the only one in your extended family, in your workplace or school, the only one in your region and beyond, take strength. You are a key player in a large conglomerate of other individuals who are part of the new wave of change heading our way.

Bottle Top Hill is about raising community awareness, and also reclaiming a form of plastic away from landfill and circulating these items back into the economy; a message we would love you to share. Consumers hold a lot of power – and it can all start with the power of one - YOU.

P&C News

THPS Recipe book 2021

Kate Hunt and Nicole Egan are organizing a **school recipe book** as a fundraiser event, with aim to be for sale end of term 3/early term 4 – just in time for Christmas!!!

We are ready to start compiling – **email us your favourite** recipes now and for the next month or so! We are planning a Spanish section, but maybe we can have a book that exemplifies our fabulously culturally diverse school community. How unique would that be! Email your recipes to THPScookbook@gmail.com; thank you. We look forward to creating our latest and greatest Tuart Hill Cookbook yet!!

Join [our face book page](#) to keep up to date with everything Tuart Hill Primary School. Come along to our P&C meetings. We discuss family communications and planned school directions as well as planning how we, the parents, can continue to build our inclusive, welcoming Tuart Hill Primary School community.

The next meeting is **Wednesday 9 June, 5.45 – 7.00 pm**, in the School Staff Room. Everyone is welcome ☺.
