Balcatta Senior High School year 5/6 art exhibition

Selected students in year 5 and 6 recently had their work exhibited at Balcatta Senior High School, the theme this year was native flora and fauna.

Students produced a wide range of creative responses in chalk, paint and collage. The work looked fabulous and the students did themselves proud.

Special congratulations go to Ethan P, Rachel C, Rebecca L and Charlie W who each received prizes and certificates for their artwork.

Students in PP and years 4-6 were recently given the opportunity to enter a local art competition to celebrate a new hexagon mural by Linzi Carter on Main Street.

Over 50 students work were submitted to the Osborne library and the librarians were amazed by the kids designs so congratulations everyone! Make sure to go down and support our students with your people's choice vote, the finalists will have their work exhibited next week 13-18th September at the library.

Good luck everyone.

Faction Athletics Carnival Success

Congratulations to our students from PP-6 who competed in our annual Faction Athletics Carnival today. Thank you to everyone involved in making our carnival so successful. I would like to acknowledge all of the staff at our school for their amazing work in organising and supporting our students on the day. Thank you Parents and Carers for your positivity, willing help and good cheer. The Bake Sale and Raffle was a tremendous success thanks to your support.

I enjoyed the day so much and that is due to your hard work, willingness to help out and your commitment to our students and our school.

If you have any feedback regarding any aspect of the Carnival that could inform improvements for 2022 we would really like to hear from you. We are always looking at improving our school and events that we host.

Interschool Athletics at Inglewood Little Athletics Centre, Dianella Reserve No 3, Tuesday 21 September 2021

The competitor list for the Interschool Athletics will be posted on the Sports Notice Board next week; please check in which events your child/ren have been placed.

We will access Junior and Senior Sports lessons as well as lunch times to train up our squad, so that they will feel well-prepared, fit and confident on the day. We are excited! Students who have been selected can expect to be handed a permission slip to attend, which must be returned by Friday 16 September 2020; thank you.

Parents are invited to attend all or part of the day as spectators. There have been no restrictions nor special requests placed by our Interschool organisers, except that we all know we are to observe good personal hygiene and maintain appropriate social distancing, for the health of our community.

Please email our efficient and super-organised Phys Ed Specialist cathy.connelly@education.wa.edu.au if you need to clarify your child's information. **Thank you** for your ongoing positive support of our school.

2022 School Planning and Class Placement Requests

Our staff is currently planning how 2022 classes might look, and teachers are looking at constructing next year's class lists. Please help us in our planning by letting the School know via email tuarthill.ps@education.wa.edu.au as soon as possible **if your child will not be returning to our school in 2021**. Thank you.

Do you have a particular educational request for your child moving in next year? Student placements into classes are planned very carefully with a number of factors taken into consideration. These include:

- Special needs
- Friendship groups
- Social skills
- Academic performance
- Educational comments and requests

Comments and requests from parents should be addressed to me, beverly.innes@education.wa.edu.au and must be received in writing by midnight Friday 22 October 2021. I will consider all requests in conjunction with school organisational needs as well as professional advice from staff.

Requests for specific teachers will not be considered.

Please note - the Principal's decision is final.

Please do not hesitate to contact me if you have any queries regarding 2022 classes; thank you.
