Talk Off 2021

Congratulations to all our students in Years One to Six on crafting excellent Talk Off presentations. Each class selected two students to represent them at the Talk Off finals.

Year 1,2 and 3 wowed us on Thursday 28 October. Congratulations to the winners!

The quality of our oral presentations has improved so much. Mrs Mount Bryson, Miss Rice and Mrs Innes found the judging very difficult, with final scores so close that every participant was good enough to be the winner.

Years 4, 5 and 6 presented their talks today, Friday 29 October. Congratulations to these winners!

We look forward to the 2022 Talk Off competition.

World Teachers Day 29 October 2021

The way to a teacher's heart is – through a wonderful morning tea, provided by you, our parents, to acknowledge World Teachers' Day.

We loved our surprise feast, provided in appreciation of all the care, effort and encouragement the Staff at Tuart Hill give each student in our classes. Thank you to the parents who baked for us. We DO feel appreciated. Your thoughtfulness brought cheer to our day. Yummy!

Having a Ball at Senior Sport by Lexie, Publicity Officer and Photographer

On Friday the 15 of October, the year 5 Leo students played some fun soccer with some of the year 6 students from SEPEP (Sport Ed) running it.

Caleb was running drills, Leah was running warmups, Aranmore was running the soccer game as referee, Tealah oversaw scoring, Marianna brought the equipment down, and I am the photographer and publicity officer.

We started off by doing some drills that Caleb instructed, running two laps of the soccer oval to get the blood flowing and high knees to improve game proficiency.

Leah was in charge of the next activity, warmup! The warmup was called Rob the Nest and basically you have some tennis balls in a Hula hoop in the middle and you have four Hula hoops about three to five meters away in the corners. People line up behind the hoops and when the teacher says go, one person runs into the middle Hula hoop and grabs one tennis ball. Whoever has the most tennis balls at the end wins and the purpose of this warmup is to teach the children to take turns and encourages healthy competition.

When we were done doing our warmups and drills, we started playing a soccer game! Aranmore split the kids into two groups and called one the Insiders (because they had their hats on the inside) and the Outsiders (because they had their hats on the outside). He started the game and refereed with the help of Marianna and Tealah scored. It was a close game, but in the end the Insiders won the game!

Thank you for reading and I want to give a big shout out to Mrs. Connelly for organizing this and letting us have the opportunity to try different roles in sport and my soccer team made up of Caleb, Leah, Aranmore, Taelah, and Marianna.

Library Links – BOOKFAIR 2021 Thanks

Warm thanks to all the families who support Book Fair 2021.

We think we doubled our sales from 2020, resulting in Scholastic Credits to the value of around \$1500 for us to spend on new books for our Library. I am so excited to purchase some titles that our students showed interest in, and hope you will soon have them home on loan.

Thank you for supporting the 2021 Book Fair. I think you are awesome 😊.

Kind regards, *Kasandra Tobias*, Library Officer, Tuart Hill Primary School.

Decoration Donations Welcomed! Support our Oral Language Experiences...

Garden Produce for Sale

From time to time we offer families the opportunity to purchase produce from our garden at bargain prices. This produce is displayed on a table outside the kitchen and varies according to the season. Eggs from our chickens may also be purchased from the front office when available.

We ask that students and families refrain from picking and eating fruit and vegetables from our gardens – including mulberries! – as our Green Team uses the money from sales to replenish seedlings. Thank you

Pasta Jars needed

We would welcome ant donations of clean pasta jars, which we use to package our worm wee for sale. Please leave your donations with the front office staff.

Worm castings and worm wee provide an **incredible amount of nutrients** and are packed with beneficial microorganisms. This makes them the perfect zero emissions natural, organic fertiliser for your garden; creating healthy, fertile soil.

Our worms are producing so well; we look forward to you purchasing some Worm Wee to add quality to your soil!

Canteen Catch-Up

Students line up for Spooky Treats

What a day!

Audacious donuts, ghosts galore, jellied finger bones – it was tough to choose what treat to trick our tastebuds with.

The Recess and Lunch Break line was long, but every mischievous imp found something delightful to lick, chomp or munch.

Thank you Jodie and your crew – we loved it!

Breakfast Club is back!

Join us for a free breakfast **every Tuesday morning from 7.45am to 8.20am**. Breakfast Club operates from the canteen. Guests eat in the alfresco area adjacent to the Hall.

Under Covid-19 guidelines, breakfast must be served to participants to limit handling. The canteen will not be taking lunch orders during Breakfast Club, orders will open at 8.20am as usual.

All families are welcome to join us for a free breakfast every Tuesday at the canteen.

Volunteers Welcome

The canteen is always looking for **volunteers** to help make lunches from 9.30am Tuesdays, Wednesdays & Fridays. If you can spare an hour or 2 to help out, please see Jodie in the canteen.

P&C News

We have been lucky enough to have been allocated another Sausage Sizzle fundraising opportunity tomorrow **30 October at Balcatta Bunnings**.

This is a much busier shop, and we will need all our volunteers to help if we are to get the most out of the day. Many hands are needed over the day and together we can make the work lighter

– currently we still need some help from 3 – 5 pm. Come down and check us out – there is usually room for more hands and, if everything is going well, purchase a sausage to show support!

All funds raised through any event coordinated by the P&C are spent in the year they are raised and contribute to educational programs, school furniture or playground additions for our children. Currently we are excited about installing a Ninja Challenge to boost the Senior play space – something like this – smaller of course - could be possible with the right amount of money!

Keep up to date with all things Tuart Hill Parents and Citizens by making our [Facebook Page](#) a favourite.
