Our School – Reviewed and found fabulous!

Director of Schools Mr Lou Zeid represented the Department of Education's Accountability Directorate to conduct a review of the school's performance in delivering a high quality education to students on Wednesday 13 October 2021. The Review acknowledges the achievement of the school and gives feedback to support the Administration Team and staff with our improvement planning.

Representatives of our staff and community (through the School Board and the P&C) met with the Review Team to discuss *how we think we are going, how do we know* and *what are our next improvement steps*. Following a day of conversation across all school improvement domains, the Review Team writes a report based on the evidence presented by the various school teams and responses to questions asked during meetings.

[The Tuart Hill Primary School Public School Review October 2021 Report](#) has been uploaded to our Website and added to the Connect Library. I invite you to read through the validations and recommendations. Please don't hesitate to have a conversation with me about any part of the Report, or any aspect of your child's education. Our school is on a comprehensive Improvement path, we have our eyes focused firmly on improving individual student progress and achievement and I trust that this is your experience as a parent.

Music Notes

The Tuart Hill Primary School Community from Pre Primary to Year 6 presents:

An Indigenous Extravaganza, a spectacular Musical performance

featuring songs by Gina Williams and Guy Ghouse,
George Walley, Louie Bennett, The Warumpi Band, Yothu Yindi and
the Yabu Band and performed by all students from Pre-primary to Year 6.

Directed by Mrs Fay Edwards

When: Friday 12 November 8.45am -9.30am

Where: Tuart Hill Primary School Undercover area

**All family, friends, relatives are
welcome and encouraged to attend!**

For Indigenous cultures music and song are **central to identity, place and belonging**, and are an expression of a unique and continuing tradition.

We hope to see you there and share our songs!

The Teddy Bears Picnic that raised ~\$600 for Telethon, supporting sick and disadvantaged kids.

Last Thursday 4 November all students from Kindy through to Year six skipped up to the Senior Oval for recess with their favourite Teddy Bear or soft toy to raise money for sick and disadvantaged kids as part of Telethon Australia.

We met a real Teddy Bear, danced to Teddy Bear Tunes, listened to stories read by the Year Fives, ate our food with our friends and family and had a wonderful time!

Thank you to all who participated, and to Mrs Edwards and Mrs Bell for organizing such a fun event for a worthwhile cause. We loved it!!!

Thanks for all your support of the Music program.

Warm regards,

Fay Edwards
Music Specialist

Courtyard Project Update

I have put up a mini exhibition of the student's initial drawings at **Osborne library**- City of Stirling. The drawings were completed with Jodie Davidson Art our Artist in residence this term at Herdsman Lake discovery centre and in the classroom.

The initial drawings will be used to create the designs for the mosaics, wall and floor murals and decoration of the workbenches in the courtyard artist in residence redevelopment project.

Please go see the lovely work of our students, there is a selection from year 1-6 on display near the children's section. The work will be up for two weeks, until the 16th November. **Pop into the Library and have a look!**

The courtyard redevelopment project has been funded by a grant from the Department of Local Government, Sport and Cultural Industries.

Department of
**Local Government, Sport
and Cultural Industries**

Many thanks to all the families who stepped up and came along to our recent after school busy bee to paint the walls of the courtyard, we totally smashed it and finished the walls in record time.

I'm blown away by the awesome spirit of Tuart Hill PS families and support for the Artist in Residence project. Your enthusiasm, commitment and energy inspires and energises me! I can't wait to present to completed project to you on a warm summers evening early in 2022.

Yours artistically, *Abi Callow*, Visual Arts Specialist.

Book Fair 2021

Our Scholastic Book Fair in Week 3 was a huge success and I would like to thank all parents, students, staff and community members who supported our school by making purchases.

Our sales last year totalled \$3548, but this year we greatly exceeded our expectations and made a huge **\$5320!** This means **\$1836** worth of books will be added to our school library! This could not have been done without the support of our school community. **THANK YOU!!**

Congratulations to our winning students who correctly guessed the book for the "Story in a Jar" competition. The book was *A Stack of Alpacas* by Matt Cosgrove. **Well done Georgie, Adele, Molly and Owen.** Please collect your prize packs from the library.

Keep an eye out for some fantastic new books appearing on the library shelves in the coming weeks, and I look forward to our next book fair in 2022. Pop in to chat any Monday, Tuesday or Wednesday! *Miss Tobias* Library Officer

Garden Produce for Sale

From time to time we offer families the opportunity to purchase produce from our garden at bargain prices. This produce is displayed on a table outside the kitchen and varies according to the season. Eggs from our chickens may also be purchased from the front office when available.

We ask that students and families refrain from picking and eating fruit and vegetables from our gardens – including mulberries! – as our Green Team uses the money from sales to replenish seedlings. Thank you

Pasta Jars needed

We would welcome any donations of clean pasta jars, which we use to package our worm wee for sale. Please leave your donations with the front office staff.

Worm castings and worm wee provide an **incredible amount of nutrients** and are packed with beneficial microorganisms. This makes them the perfect zero emissions natural, organic fertiliser for your garden; creating healthy, fertile soil.

Our worms are producing so well; we look forward to you purchasing some Worm Wee to add quality to your soil!

P&C News

Big thanks to all those that helped at the sausage sizzle Saturday we raised just over \$2100! Legends!

Sausage Sizzle THANK YOU.

A message of appreciation to all who set up, sizzles, served, sauced or purchased to support our latest Sausage Sizzle fundraiser for 2021. \$2100 is a lot of hotdogs passed to

the public. What wonderful community support.

All funds raised through any event coordinated by the P&C are spent in the year they are raised and contribute to educational programs, school furniture or playground additions for our children. Currently we are excited about installing a Ninja Challenge to boost the Senior play space – something like this – smaller of course - could be possible with the right amount of money!

Keep up to date with all things Tuart Hill Parents and Citizens by making our [Facebook Page](#) a favourite.
