Principal's Message: Keira van der Wal

At Tuart Hill Primary School, we aim to promote a "growth mindset" in our students and ourselves. People with a growth mindset embrace challenges, stay resilient in the face of difficulties, learn from constructive criticism and seek out inspiration in others' success. We welcome feedback and seek to continuously improve our practice for the benefit of our students and school community.

Thank you for those who provided feedback on the 'new look' eNews. The advice that the calendar format was difficult to read has been heeded, and the previous format re-instated!

On the COVID front, Department of Education guidelines and processes for school operations, including communication to the school community of positive cases at school, continue to develop and improve in response to feedback. Please continue to watch for updates on CONNECT to stay informed and don't hesitate to contact myself or the school office to keep us informed of any COVID related developments on the home front.

We continue to improve our COVID-safe practices at school and have recently installed a bottle-refill tap on each of our drink fountains. Class teachers are encouraging students to refill their water bottle rather than drink from the fountain in the interest of reducing the spread of germs. We request that all students bring a refillable water bottle to school each day, clearly labelled with their name.

The number of unclaimed, un-named items continues to grow as the term progresses. Please label all of your child's belongings and check for lost items on the table near the canteen.

Excellence ♦ Care ♦ Equity ♦ Learning

SCHOOL POLICIES

School Dress Code

At Tuart Hill Primary School all students are expected to wear our school uniform. This assists students in developing a positive self-image, encourages the development of pride in our school and provides a positive image to the local community.

Dress Code Requirements

- Red school shirts or T-shirts (collar preferred). No slogans or multi-coloured designs.
- School jumpers (with school logo), or plain red wind-cheaters.
- Black trousers or tracksuit pants
- Black skirts/skorts
- Black shorts
- A red broad brimmed hat (with school logo)
- Appropriate footwear – closed in shoes e.g.: joggers, soft soled shoes or school shoes
- Stud or small sleeper earrings only.
- **Denim clothing, flip-flop footwear, ugg boots, wellingtons, high heels or party wear is not permitted**
- **Makeup of any kind is not permitted and nail polish is strongly discouraged**

Modifications to the Dress Code

Parents who, for religious or health reasons, may wish to modify the school dress code are required to make an appointment with the principal. Staff will be informed of any student granted a modification to the dress code.

Students not following the dress code may be denied the opportunity to represent their school at school activities, which include choir, excursions, sporting and social events.

FACTION SWIMMING CARNIVAL: Years 4-6

Final preparations are underway for our carnival on **Friday 11 March at Servite College Swimming Pool**. The events that your child is in can be seen on the sports noticeboard.

Parents are welcome to attend as spectators and may be roped in as helpers on the day! Parents are reminded that it is their responsibility to keep socially distant from each other and to maintain personal hygiene.

I also remind parents:

- not to post photographs that include children other than your own to social media,
- that photos and videos that include children other than your own must be deleted within a reasonable time and
- that photos should not be tagged if they are posted to social media.

Thank you for your consideration in regard to this, and please see Mrs van der Wal if you have any queries regarding this request.

SCHOOL COMMUNICATION through CONNECT

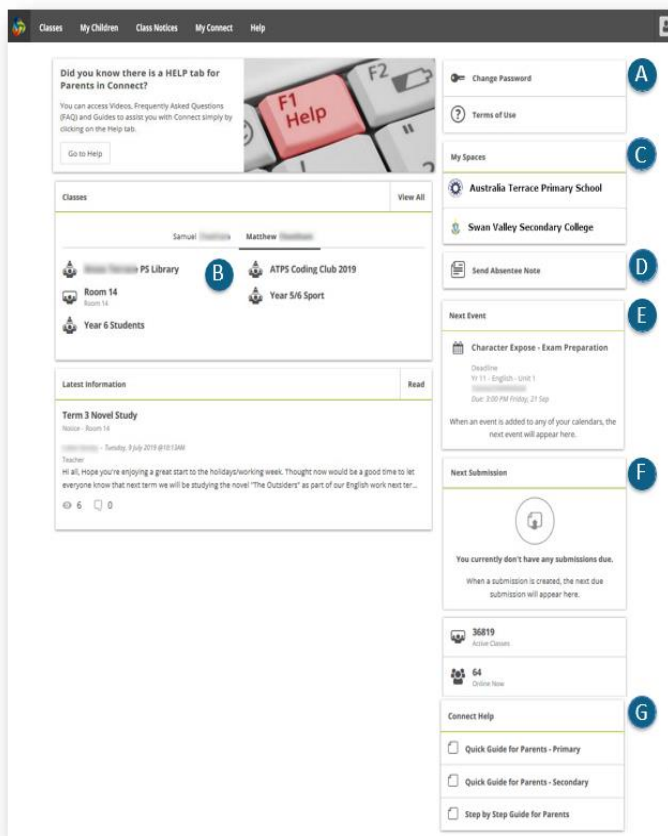

Our school regularly communicates important information with families via 'Connect Now', a free app developed by the Department of Education WA that can be downloaded from Google Play or the Apple App Store. It will enable you to receive Connect Notices as push notifications. Please note: to view some attachments and posts in the Library section within Connect, you will need to log in via your Internet browser rather than via the app.
