Principal's Message: Keira van der Wal

As this will be the final eNews for Term 1 2021, I would like to take this opportunity to thank the Tuart Hill Primary School staff for the professional, resilient manner in which they have handled the many changes and challenges we have faced due to the constantly evolving coronavirus pandemic. Despite no longer being able to physically meet in groups, we have continued to work collaboratively to plan, develop and implement effective learning programs for our students as well as thinking critically and creatively to devise ways to ensure we carry on with our usual operations as far as possible. In the last few weeks both students and staff have enjoyed special activities with a view to supporting well-being in a Covid-safe environment.

We look forward to welcoming Mrs Innes back as Principal next term – I know she is eager to return to leading the school with her usual energy and enthusiasm. As I will return to my Associate Principal role, we say goodbye to Mrs Leah Clegg, with thanks for her valuable contribution to our school and to the leadership team.

Staff well-being Breakfast

Westpac Rescue Helicopter Excursion

INSIDE CLASSROOMS

The students in room 7 have been learning about bullying. They participated in an Australia wide live webinar this morning on cyber safety. They learnt about how to stay safe and what to do if they feel unsafe. Most importantly the students discussed what they could do to ensure they remain as good citizens in the cyber world.

Mr Raschilla's class took advantage of the sunny weather last week and spent some time in our kitchen garden, preparing the beds for planting our winter crops. The students have done an excellent job harvesting the older crops and weeding the beds and the chickens enjoyed the bonus "leftovers". Well done Room 5 and Mr Raschilla - we look forward to our winter harvest.

After our exciting excursion with the Westpac SLSWA on Friday 25 March, some students from Mr Benness' class were inspired to put some 'real world problems' into practice using the Dash and Dot and Sphero robots. The scenario was that the Westpac SLSWA helicopter had run out of fuel and needed a rescue! Students had two levels of challenges to complete - free driving the rescue vehicle using the Wonder Go, then coding using Wonder Blockly. Some of our ICT student leaders will take this activity to other classrooms and teach the skills to students across the school. Amazing work Room 4!

MERIT CERTIFICATE WINNERS: Thursday 24 March

Congratulations to the students who received merit certificates at our special Harmony Day Webex assembly on 24 March.

HARMONY WEEK CELEBRATIONS

Harmony Week is a time for all Australians to remember and respect our diverse cultural backgrounds and to share what we have in common. It is about inclusiveness, respect and a sense of belonging for everyone. Harmony Day coincides with the United Nations International Day for the Elimination of Racial Discrimination. During Harmony Week, Tuart Hill Primary School students engaged in a variety of classroom activities around the theme of “everyone belongs”. The whole school enjoyed dressing up in either cultural dress or orange on Harmony Day.

PHYSICAL EDUCATION NEWS

Congratulations to all of our students from Years 4-6 who participated in our annual Interschool Cricket Carnival on Thursday 17 March at Charles Veryard Reserve. We took 6 teams, 4 boys and 2 girls. Our B Team won Division B.

Many thanks to the staff and parents who helped us on the day.

Cathy Connolly
