Principal's Message: Beverly Innes

Dear Parents and Carers,

It's been a busy week for our Year Three and Five students who have completed a NAPLAN test Tuesday, Wednesday and Thursday. We will now take the time to 'catch up' with any students who missed their tests due to unexpected absences. Thank you for your support, doing your best to make sure your children attend for these important National tests, but also – keeping your children home if they are unwell.

Our student lists indicate that nearly 75% of our families have collected their **FREE Rapid Antigen Tests** from the Front Office. Please ask your friends if they have their free box of RATs, as this Government initiative will make it easier for families to monitor health. As the weather changes, we are having more incidents of flu-like symptoms and tummy aches across our school, which will generate a phone call from us to you to collect your unwell child. We do our best to look after your children but when they feel sick they only want their mum or dad; thank you for your prompt support.

A reminder about the [Health protocols return to baseline](#), as we see cases of positive tests soar across our state. Students should stay home if they are unwell, as usual, however if they test positive to COVID, please inform us.

- A *positive COVID test* means the student must isolate for 7 days, then return to school as long as no symptoms remain. The School will contact you to arrange for work packages that your child can complete if they are well enough.

- *Close Contact rules are not in play.* Siblings should attend school if they are well and do not test positive. Siblings need to take a RAT and receive a negative result every day to attend school.
- *Masks no longer mandatory at school* except for in specific settings and circumstances. Any person may continue to wear a mask in any circumstance of course.
- *Density and capacity limits no longer apply* to school activities. We have returned to Assemblies every fortnight, Junior and Senior alternating as before. All regular school activities will be arranged. Parents are welcome to attend any event you like, and certainly you will be invited to special events eg receiving a Merit Award.
- *Parents are welcome* on school site and may be invited to volunteer in classrooms again.

MERIT CERTIFICATE WINNERS: Thursday 7 April 2022

Congratulations to the students who received merit certificates at the Junior Assembly on 11 April 2022.

Ninja Playspace – Fun with Challenge!

Our students have been building their strength and challenging themselves safely every recess and lunch on the new Ninja Play structures. The installation is intended to be challenging, and during school time students are supervised to ensure safety and respectful use of the space.

It's great that families are enjoying the equipment after school too, however please be informed that I will move students who do not have a parent directly present, supervising their play, off the school grounds.

The Siren sounds at 3.15 pm to remind parents to begin to move off the school grounds as the boundary gates are locked around 3.30 pm. Thank you for your support as I make sure only our school community and known outside providers (eg Mulberry Tree, PMI Music teachers and Grasshopper Soccer) are on our site after hours.

Introducing Giorgia....

My name is Giorgia Gobbo and I am currently doing my placement at Tuart Hill Primary School as a part of my learning to complete my Master Degree in Social Work at Curtin University. I am from Italy, I have a Bachelor degree in Philosophy and in my free time I am a visual artist. A tattoo artist to be precise.

I like camping, snorkelling, kite surfing, and being in Nature. I have a special interest in Eco Social Work, which looks at the relationship that exists between all living organisms and ecological systems on the planet Earth.

My role here is to practise the skills of Social Work, aiming to promote the total development of children (intellectual, physical, social, creative, emotional) and facilitate successful learning outcomes through the relief of distress and removal of barriers or inequities.

Golden Broom Award

Week Two Golden Broom Award went to Room 8.

Room Eight was judged as having the all bags zipped, no clothing, lunch boxes nor water bottles left on the floor and zero rubbish in the corridor outside their room.

Thank you for demonstrating respect for our environment!!

Well done all Year Four students in Room 8

Star Wars Day - May the Fourth

We had a wonderful time celebrating Star Wars Day on May 4th and raised just over \$300 to go towards the cost of the Year 6 Yearbook.

Thank you to our students for your gold coin donations and to **Jody in the canteen**, who also donated all the funds from the sale of her delicious Wookiee Cookies.

We'd also like to give a huge thanks to **Cassie Gauld** for creating some fabulous decorations, jokes and activities for the senior classes.

May The Force be with us all!

Premier's Reading Challenge

Join the adventure!

We encourage you to join us in unlocking the wonderful world of reading for your children. Help them to join the Premier's Reading Challenge. All students from Kindergarten to Year 10 are challenged to read **12 books by 9 September 2022 (or more!)**.

You can help your children sign up via the website, choose their own avatar and **log all the books they read over the course of the Challenge**. Weekly prizes will be awarded to students who log a book that week, with major prizes drawn when the challenge ends.

Books don't have to be in English – children are encouraged to read books in their first language.

There are extraordinary tourism prizes to be won each week.

Sign your children up on the website to begin their magical journey:

<https://www.premiersreadingchallenge.wa.edu.au/>

If you cannot access an online account, you can collect a reading log from Miss Tobias in the library.

When completed, please give the form back to Miss Tobias **before Friday 9 September 2022** so that your record can be entered.

You can also email the completed form to
premiersreadingchallenge@education.wa.edu.au

Happy Reading!

Thank you to the P&C for organising the **2022 P&C Mothers' Day Stall**. There were so many happy smiles as students found a gift to give to their mum, mother figure and/or special female in their lives as a token of appreciation.

Close to \$2500 was raised – a bit of a record for this type of fundraiser! Wow! Thank you for your support! We trust you did indeed have a Happy Mother's Day.

All funds raised by the P&C are returned to the School in the year which they are raised, to support educational programs that supplement the social/emotional and educational progress and achievement of students across the school.

P and C Volunteers Needed Election Day Saturday 21 May 2022

We are looking for volunteers for the Election Day fundraising stall. We need volunteers to help us man the:

- Democracy Sausage BBQ
- Cake Stall
- South Asian Food Stall

This is a great chance to meet other school parents and volunteer nice and close to home. We would ask if you can please volunteer for 2 hours, however if you are only available for 1 please get in touch as any help would be greatly appreciated.

Please click on the following link:

<https://volunteersignup.org/MBPAA>

We look forward to seeing you there, if you can't volunteer come and support the stalls and purchase some yummy food!!! Any questions please email me kathrynhunt4@gmail.com. Thank you so much!!!
