## Principal's Message: Beverly Innes

Dear Parents and Carers,

Term Two has seen many changes. We commenced with masks and social distancing, then concluded with an incredibly well-attended whole school Music Assembly. It has been a pleasure to travel this journey with you.

We look forward to a restful school break, and remind you that **Monday 18 July is Pupil Free**. Staff will be joining all the Balcatta Cluster schools for a shared Collaborative Network morning. We welcome all students back to Term Three on Tuesday 19 July.

Semester Two 2022 will see some staff changes. Mrs Keira van der Wal will be the Principal of Kondinin Primary School for the rest of the year, and we will welcome Mr Andrew Knight to our Team. Mr Knight is

*Excellence ♦ Care ♦ Equity ♦ Learning*

an experienced Student Services Associate who is substantive at West Balcatta Primary School and has most recently been in the Principal role at Osborne Primary. Andrew will be a good fit for our team.

Mrs Terri Snart has retired, following a long, illustrious career – Mrs Lucia de Crescenzo will teach the Year Fours in Room 8 with Mrs Bunker. I am sure you join me in thanking Mrs Snart for her dedication, knowledge and passion. We wish Mrs Snart the very best as she starts a new chapter of her life.

Summative Student Reports have been posted to Connect. If you have any difficulties accessing your child/ren's reports, please email me; I will make sure you get your documents. Many people love the electronic form of all communications, but if you like to have the Report in hard copy, please email Reception on [tuarhill.ps@education.wa.edu.au](mailto:tuarhill.ps@education.wa.edu.au) and we will ensure the Summative Report is printed off and placed in your child's school bag.

There will be an opportunity early in Term Three to make an appointment with your class teacher/s to have a three-way conference – you, your child and the teacher – to set improvement goals for Semester Two. We hope to work with you to support every student at Tuart Hill Primary School to make the best progress and to achieve to their potential. Please look out for a call for appointments early next term.

I look forward to continuing to work closely with you to support all our students to make educational progress and have a positive school experience. Enjoy your school break.

## Whole School Music Assembly

Mrs Edwards presented an awesome Whole School Music Assembly that showcased our **Junior Choir, Senior Choir, Brass, Flute, Clarinet** and **Classical Guitar** IMSS musicians.

We were thrilled to see the largest audience of parents and carers that we have enjoyed this year! So many shared the joy that our students experience when they sing and make music together.

All the songs were amazing and inspiring, yet the pinnacle of the performance came toward the end, where the whole school sang their hearts out to highly respected teacher Mrs Terri Snart, as she retires from her significant teaching career.

## Year Four Hachiko Excursion

The Year 4 students went to the Spare Parts Puppet Theatre on Tuesday to see the puppet show of Hachiko. A beautiful story of loyalty and friendship between a Japanese dog and Professor Ueno.

The students really enjoyed this experience and we would like to thank Mrs Snart for organising this for us.

*Cathy Donald* Year 4 Teacher

Hackikō was a very loyal dog. The breed of dog is a Japanese Akita. He was born in 1923 and died in 1935, at the age of 12. He died by going to the train station at 5:00 on the spot, and waited for 9-10 years, even though his owner (Professor Ueno) had died from brain stroke.

(Hackikō died from a dog cancer that they get from old age)

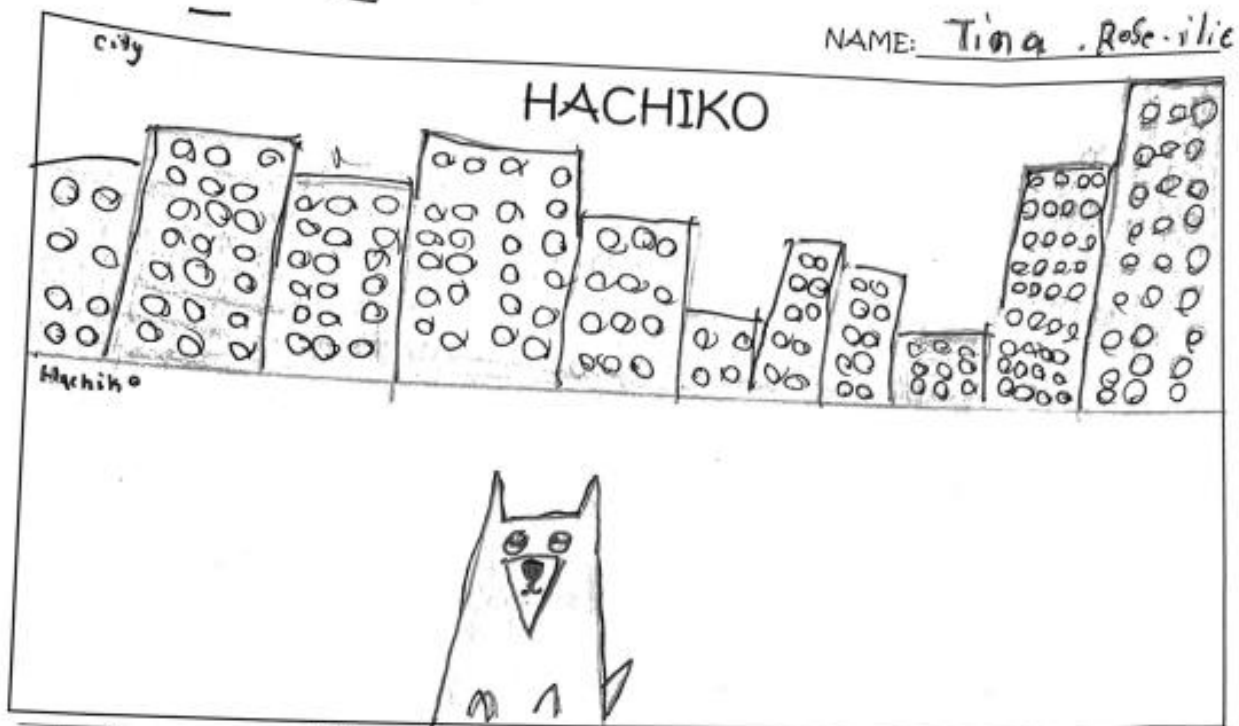

Hackikō had changed Professor Ueno's life, and he adored his dog the moment they met. This was a story of a loved loyal dog and his master Professor Ueno.

NAME: Jayden W

The story about Hachiko is about a professor named Ueno. Prof. Ueno got a present and got on Akito Day he named, Hachikō meaning "8th prince". Everyday from then when he went to work and when he got back from the train station, his dog greeted him there. One day, Prof. Ueno died at work, and Hachiko had no one to greet. He stayed at the train station as over the years, he was a famous dog and people around him gave him white boxes of food because he stayed for 9 years until death. This story was very heartwarming that there was a statue built just for them and ¥10 million was spent for their spirits. This story is about love between dog and the owners.

Hachiko is a <sup>Japanese</sup> Akita dog. He was born 10 of November. Hachiko means 8th Prince. He went to wait at the station for 9 years. Hachiko brings the friendship and company. It showed love between dogs and owners. Train station is called Shibuya Tokyo.

## The Minister for the Environment Mr Reese Whitby comes to Tuart Hill Primary School

The Tuart Hill Primary School Canteen was invited to assist with the media event to launch the enforcement of Stage one for the single use plastic bans.

Mr Whitby's team had heard that our Canteen Manager Jodie Ross had dumped single use plastics over a year ago, and decided this was an act to be celebrated.

Tamsin, Caris, Zoe, Alfie, Grace, Sharnia Diva and Amjed joined Mr David Michael MLA and School Board member in close discussions with Minister Whitby.

What an exciting event – maybe some of our Tuart Student interviews will be on the TV News!

## Faction Cross Country Run and enjoyed!

The first three boys and girls crossing the line for each age group will be invited to the Interschool Cross Country, to be held at the Charles Veryard Reserve in North Perth, **Tuesday 26 July 2022, from 9.10 am.** Please keep up your training during the school break so you stay fast and strong.
