## Principal's Message: Beverly Innes

Dear Parents and Carers,

Term Three continues to present COVID issues, but nothing we can't handle. I wish every family good health and applaud our collective resilience. The way we bounce back from the variety of challenges that we face is a measure of our strength – thank you! As a result of our joint efforts, our school remains vibrant, our students are engaged and quality learning experiences continue.

The Term Calendar indicates some of the fabulous events to look forward to this Term. Athletics feature, as do Music performances. There are many opportunities for our school community to celebrate together.

*Excellence ♦ Care ♦ Equity ♦ Learning*

We welcome Mr Andrew Knight to our school. Mr Knight is an experienced Student Services Associate who is substantive at West Balcatta Primary School and has most recently been in the Principal role at Osborne Primary. Please make yourself known to Andrew – he has really enjoyed his first week at Tuart Hill and we have benefited from his knowledge, skill and contacts. Thanks for joining our team, Andrew!

There will be an opportunity early in Term Three to make an appointment with your class teacher/s to have a three-way conference – you, your child and the teacher – to set improvement goals for Semester Two. We hope to work with you to support every student at Tuart Hill Primary School to make the best progress and to achieve to their potential. Please look out for a call for appointments early next term.

I look forward to continuing to work closely with you to support all our students to make educational progress and have a positive school experience. Enjoy your school break.

## NAIDOC Music Assembly

This week we welcomed to our school special guests Jeremy Clowry and Cezera Critti-Schnaars to join us as part of our NAIDOC celebrations.

NAIDOC Week celebrations are held across Australia to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth.

Mrs Edwards led the school with songs that were written by Indigenous artists, and the students were supported in their singing by Jeremy on the didgeridoo. The strong theme that emerged from our songs was the belief that by acknowledging our past, we can change our futures by learning, listening and standing together side by side.

## Squash – is it the Sport for You?

Our classes have enjoyed trying out Squash and some of our students have a great aptitude!

## Pyjama Day – Monday 1 August ALL DAY!

## Students Demonstrating Care for our Environment

A few students from Room 13 have taken it upon themselves to clean the Junior oval. They were very proud of how much they picked up. We applaud their active demonstration of civic Responsibility – **thank you** Year Twos!
