HAPPY SPRING BREAK Saturday 24 September to Sunday 9 October inclusive.

First day of Term 4 for Teachers and Students is **Monday 10 October 2022.**

Principal's Message: Beverly Innes

Dear Parents and Carers,

It has been a pleasure to greet all the parents and students who have made a time to meet class teachers for a **three-way conference** to set student improvement goals for Semester Two.

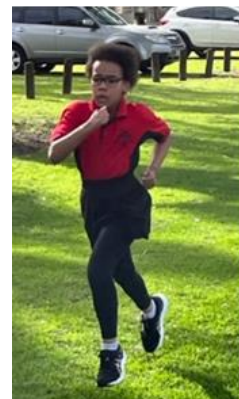

Three-way Conferences follow up the Semester One Summative Student Reports and open an opportunity for parents to sit with their child and the teacher so as to be on the same page educationally. If you have not seen an offer to meet, email your child/ren's class teacher directly and ask for a time slot that suits you both. I encourage you to accept the invitation our teachers are proffering, so that your child might get the best out of their education at Tuart Hill Primary. We wish to work with you to support every student at Tuart Hill Primary School to make the best progress and to achieve to their potential

I have been reminding classes that we expect students to [wear school uniform](#) every day. Leggings need to be covered by the school dress/skorts /shorts/skirt – 'leggings are not pants' is a phrase we use when necessary. Pants/Leggings/warm stockings/long socks should be **black** please. Thank you for your support.

We appreciate that student jumpers may not have dried in this damp weather, however be aware our teachers and I will ask students to put non-standard jackets/jumpers into their school bags and offer your child a pre-loved school jumper. You are welcome to keep the pre-loved jumper if you need another – we currently have full shelves of washed second-hand tops.

Please email beverly.innes@education.wea.edu.au or see me directly if your child has particular school uniform adjustments that need to be made for them due to individual sensory or religious needs, thank you.

Tying back hair that sits below the bottom of the polo collar is part of the school expectations. Any student with hair longer than this will be asked to tie it up. Most importantly, hair should not impact the eyes in any way. This is for eye health and safety as well as clarity of sight to complete work. Any student may arrive at school with a head band or long fringes clipped to the side – we appreciate the effort to be ready to learn and thank you for your support.

Should any family at any time experience financial strain please come and have a confidential conversation with Mrs Kate Goldsworthy, Manager of Corporate Services, or me. Times are tough and the cost of essentials is increasing. **Our school can help** with providing pre-loved school clothing, recycled school equipment and fees and charges payment plans at any time. We appreciate the pressure of ongoing living expenses and **want to support all our families to have students attend school every day** – please ask us to see what we can do if you feel anxious about any aspect of schooling.

I look forward to continuing to work closely with you to support all our students to make educational progress and have a positive school experience.

KABOOM Percussion In-school Performance

Kaboom Percussionists Kat and Josh entertained, educated and entranced the Tuart Hill Community with their highly anticipated Music performance at our School last Thursday the 4 August 2022.

Students learned how they could make music at home using buckets, cups, saucepans, bottles, PVC pipes and even just their bodies!

Students have also been learning Kaboom inspired drum patterns in Music class too. I look forward to continuing Kaboom inspired lessons with your children.

Kind regards, **Fay Edwards**, Music Specialist, Tuart Hill Primary School.

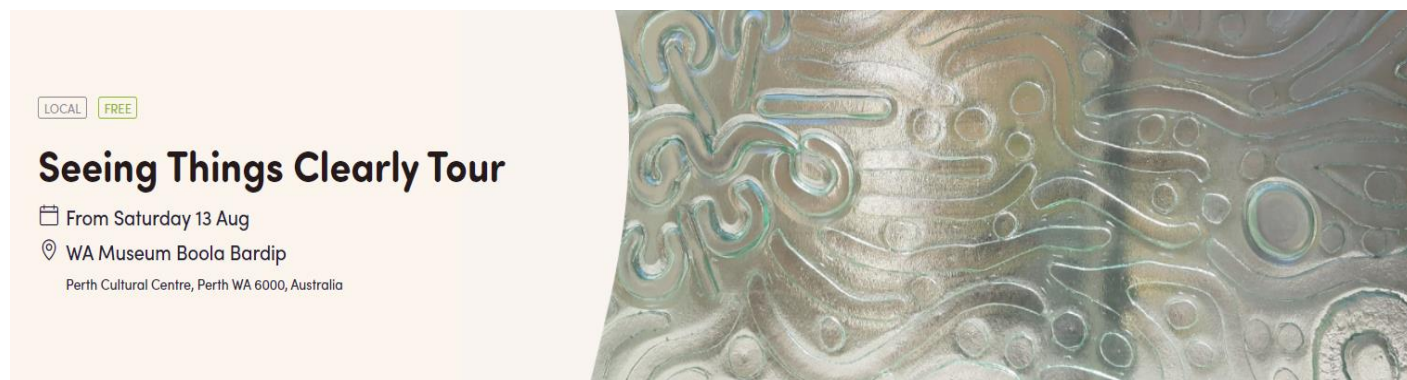

Science Excitement

We appreciate your generosity! Thank you, **I have enough recycled materials for now.** I can't wait for our students to share their scientific investigations with you.

[National Science Week](#) starts 15 August 2022 – our students will explore this year's theme *Glass: More Than Meets the Eye* by looking at how glass is made and where stained glass can be found.

The [WA Museum Boola Bardip](#) has several [bespoke Science Week events](#) you might like to book into, as does [SciTech Discovery Centre](#). There is something to excite the curiosity in us all regardless of age!

Kind Regards, **Sharon Cheeseman**, Science Specialist, Tuart Hill Primary School

2022 BOOKWEEK

The 2022 Book Week Parade will be held on **Tuesday 23 August, 8.45 am ~9.20 am.**

The theme of *Dreaming with Eyes Open* inspires reusing, repurposing and redesigning existing found materials into a costume that represents a character from a book.

Students are to carry the book or a picture of the book with them during the Parade – every dress-up entry will be acknowledged and every reader will receive a bookmark to help them mark their place in their books.

I am looking forward to supporting students to explore the written word and experience the joy of speaking with rhyme, rhythm and cadence, understanding academic English phrasing. I will be introducing Book Week themes during my lessons with all students across the school and discussing potential costume ideas.

Kind regards, **Ruth Rice**, Oral Language Specialist, Tuart Hill Primary School.
