Dear Parents and Carers,

We enjoyed our **Faction Athletics Carnival** last week however reviewing and checking our records we discovered that **Izabela T** needs to be awarded a medal as well! Our apologies Izabela for missing your results on the day. We will present Izabela with her 2022 Medal at this week's Junior Assembly Wednesday 14 September, and I will include her photo in the next eNews. Many thanks to Miss Caldwell and Mr Knight for reviewing all the results and addressing this oversight.

**Mrs Connolly** was sad to miss the Carnival this year and was pleased the day went well. Teachers and some students have written cards and messages that she has treasured.

Mrs Connolly's treatment will keep her away from work for the rest of this year, however she has asked me to reassure students, parents and colleagues that she intends to return to teaching for the start of 2023. She is being well cared for by her family, close friends and medical professionals. In the meantime, if you or any of your children are missing Mrs Connolly and want to wish her well, please make a card or write a letter to her. Pass any notes to the Front Office – we ensure all items are delivered to Mrs Connolly; parents will understand that employee contact details are private.

Mrs Connolly has expressed the joy she feels when she reads and re-reads messages of care. She asks me to pass her thanks to you, and she looks forward to recovering fully to enjoy our wonderful school in 2023.

### **MERIT CERTIFICATE WINNERS: Wednesday 7 September 2022**

Congratulations to the students who received merit certificates at the Senior Assembly on 31 August 2022.

- Making sure there was no rubbish outside the classroom
- Keeping lunchboxes inside school bags and
- Keeping hats and jackets in school bags.

**Thank you** for demonstrating the value of **Care** in our school.

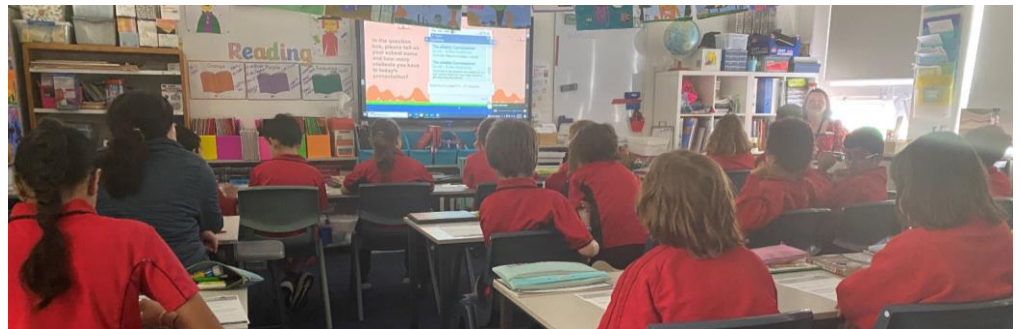

Full engagement during Community Singing to conclude the Assembly...tuneful and melodic.

## Online Safety – Identify, Educate, Support, Avoid, Act.

Some of our Year 3-6 students participated in a National Online internet safety webinar on Tuesday 6 September 2022.

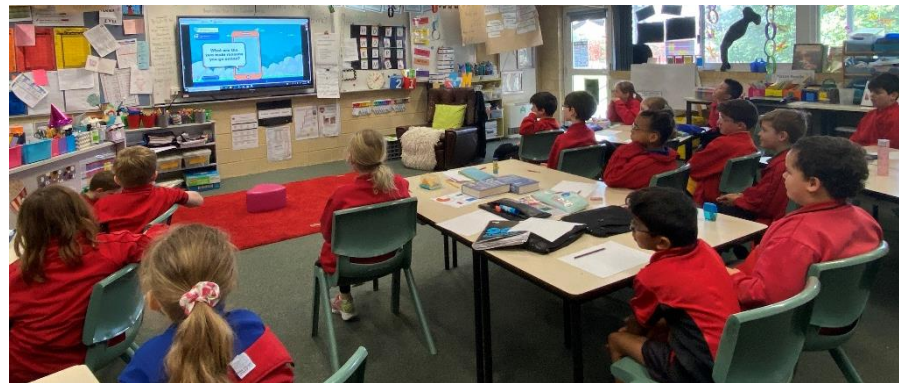

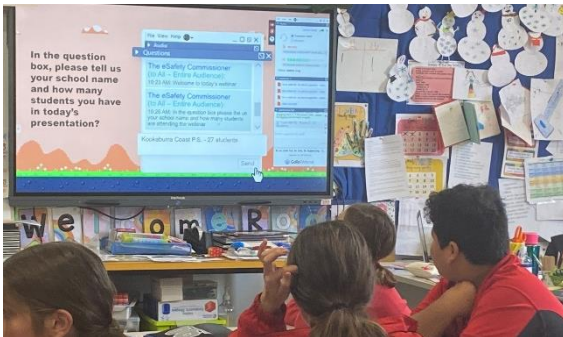

Hosted by the Office of eSafety Commissioner, the webinar was designed to be an interactive and engaging opportunity for our students to:

- describe what it means to be safe online
- identify personal online safety boundaries
- recognise strategies to support others
- recall protective behaviours, reporting skills and help-seeking strategies

More information about keeping safe online can be found at: <https://www.esafety.gov.au/> and we encourage our community to engage in conversations with children about using the internet safely.

## Tuart Tech - Osmos in Year 3!

It was fun to show the Year 3 students in Room 9 how to use Osmos for their numbers and shapes activities.

All the kids really liked the colours and moving the shapes with their hands.

We also used Spheros for some challenges like navigating around a racetrack to rescue a broken helicopter.

The kids were so surprised when we turned the Sphero into a disco ball by changing the colours.

## We love Reading – and our Library is the Best!

Tuart Hill students, fully engaged in learning... reading quality fiction and non-fiction in an inspiring environment.

Thanks **Miss Tobias** for the the amazing array of new books that transport our readers to new worlds.

Thanks to our parents through **the P&C** for providing the funds to purchase the inviting, practical library couch.

## Whole School Music Assembly

Dear Parents and Caregivers,

I am conducting a Whole School Music Assembly on **Wednesday 21 September, 8.45am ~ 9.30am.**

Each Year group from PP - Year 6 will perform an item that they have been working on in Music Class. The Junior and Senior Choir will bring the performance to a joyful conclusion.

This will be a wonderful end to Term 3; we hope that you can join us in the audience.

Kind regards, *Fay Edwards* Music Specialist

Sorrento Surf Life Saving Club is your local Surf Life Saving Club and falls part of the greater service offered by Surf Life Saving Western Australia (SLSWA), the state's peak coastal safety and rescue organisation.

Thousands of people visit Sorrento's beautiful beaches every year (Marmion to Pinnaroo Point - including Hillary's Marina) – but while they look amazing, they can be unpredictable and hide some dangers. At Sorrento Surf Life Saving Club we provide essential education and emergency services to all users of our local beaches.

To keep our beaches safe Sorrento Surf Lifesaving Club relies on its members for support. Our membership includes our Nippers (aged 5-12yrs), Youth (13-16yrs), Seniors and Masters. We also run programs for those with special needs. By training lifesavers of all ages, we upskill the local community, train our members for the future.

The aims of the Sorrento SLSC Junior Program are to:

1. Develop surf awareness
2. Increase confidence and skills in beach-related activities
3. Offer training to those wanting to pursue competition or awards
4. Instil and reinforce Sun Smart philosophies
5. Encourage enjoyable and healthy participation
6. Progress the members towards surf awards for relevant age groups
7. Promote a positive non-threatening environment
