Principal's Message: Beverly Innes beverly.innes@education.wa.edu.au

Dear Parents and Carers,

Welcome to Term Four! We can see from the Calendar that we have an active, inspiring array of activities already planned. Please email tuarthill.ps@education.wa.edu.au at any time if you need any information or permission slips regarding any event that you see on the calendar but have not seen come through Connect or home via a school bag. We want to help keep lines of communication effective ☺.

2022 Semester Two Student Summative Reports

Staff are continuing to present lessons designed to support students to demonstrate their knowledge and skills so that they demonstrate expected learning outcomes across the <https://parent.scsa.wa.edu.au/Western> Australian Curriculum. Teachers use their professional judgement to synthesise demonstrations of individual student progress and achievement into grades, where a 'C' grade is 'as expected' or 'satisfactory'.

I encourage parents and carers to take the time to 'check in' with class teachers to make sure you know:

- how your child/ren are going,
- that you have the opportunity to see work samples, and
- ask your teacher for their professional judgement as to whether, based on current information, your child's progress is 'good enough'.

From these there queries flows comments around:

- what you can expect to happen at school, and
- how you can support your child at home.

The best way to make a time with your child/ren's teacher for a check in is to email them via their professional email, and arrange a mutually convenient face to face appointment time. Please email the teacher who teaches the relevant curriculum area that matches your query – our Specialist teachers welcome subject-specific conversations:

- Mrs Edwards – Music;
- Mrs Shelsher – Visual Arts;
- Ms Cheeseman – Science;
- Miss Rice – Oral Language;
- Ms Caldwell- Physical Education;
- Mr Bradstreet – Spanish

Parents are also welcome to email Tuarthill.ps@education.wa.edu.au and ask me to forward your request to relevant teachers. Please be invited to make a time to speak to me if you would like to understand the Western Australian Curriculum, any part of the assessment/ planning/teaching and learning/ re-assessment/ replanning cycle or how teacher judgements result in a grade. I love to chat and education is my passion ☺.

Our staff and I look forward to continuing to work with you to support all students to progress academically, physically and social/emotionally.

Massed Choir Festival Friday 23 September 2022

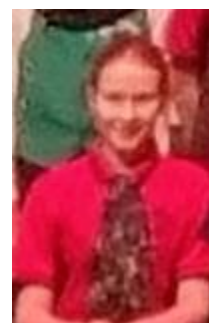

Our students starred at the Massed Choir. The conductors commented on the strength of our knowledge of the words and actions, tunefulness and high level of self-discipline required to sing in a Choir, which resulted in our students being placed in the centre of the stage. **Congratulations, Senior Choir and Mrs Edwards** – your abilities are being recognised across Perth, and we are very proud of you.

Zoe H spoke clearly and concisely as Concert co-Compare and **Lilah S** sang beautifully for her Solo – congratulations on being selected Zoe and Lilah - from all the talent available, the Conductors chose you!! We are glowing from your reflected honour.

Thank you, Parents and Carers for your ongoing support for our Choirs. It may sometimes be bothersome getting students to Choir in the mornings, yet you encourage and organise and, as a result, we have usually had full attendance at Practise.

We also thank you for supporting us as we arrange the performance opportunities that showcase and refine their Choir skills as well as allowing individuals chances to trial solo and choral singing. Your support as an audience is appreciated and valued. **Thank you.**

Library Links – BOOKFAIR 2022

Our 2022 Book Fair is two weeks away!

Next week, students will be spending some time looking at all the wonderful books that will be for sale at our 2022 Book Fair. All students will have an opportunity to create a 'wish list' of the books they would like to purchase and will bring them home to share with you.

Students can purchase books from the Book Fair, located in the kitchen area, on:

- **Monday 24th October** from 8:10am - 8:30am and from 2:50pm - 3:30pm
- **Tuesday 25th October** from 8:10am - 8:30am and from 2:50pm - 3:30pm

Parents are welcomed to purchased books during these times also, but if you are after a **sneaky Christmas shop** (perhaps Grandparents would like to join you to purchase stocking stuffers!) we will be opening sales on **Tuesday 25th October from 8:40am - 9:30am**. This session is for parents/carers/adults only; students will be in classrooms.

All funds raised from our Book Fair directly contribute to book purchases for our school library.

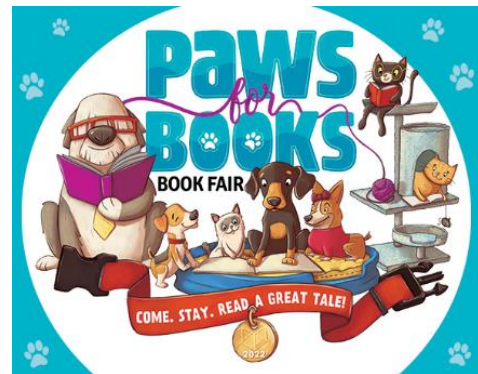

Students - this is a great opportunity to earn yourself some pocket money to spend at the Book Fair - ask your parents what jobs you can do to earn some money to buy Book Fair goodies!

Please direct queries to our librarian, Ms Tobias via email: kasandra.tobias@education.wa.edu.au .

Kind regards,

Kasandra Tobias

City of Stirling Schools Snapshot – Safe Parking at Schools

Safe parking at schools

Unlawful parking in school areas is a major safety hazard that poses a risk to children, pedestrians and other road users.

School parking

It is an offence to stop or park a vehicle:

- In No Stopping or No Parking areas
 - So that it obstructs a footpath
 - On a verge without the owner's consent
 - Facing the wrong way
 - So that it is double parked
 - Within three metres of a continuous dividing line or median strip
 - Within 10 metres of an intersection/corner (without traffic control signals)
 - In a manner that blocks a driveway
 - On a median strip or traffic island
 - So that any portion is within a bus zone.

Please be aware that infringements may be issued for these offences.

How can parents help?

- Walk or cycle to school when dropping off or collecting children
- Park nearby and walk a short distance to the school
- Plan your trip so you arrive on the school side of the road
- Avoid leaving your vehicle for long periods
- Follow signage at all times
- Form a School Road Safety committee (contact the school principal and/or the Parents and Citizens Association)
- Use public transport
- Slow down around schools and be aware.

How can schools help?

- Educate students about parking procedures around the school
- Encourage children to educate their parents and carers on safe school parking
- Establish a supervised kiss-and-drive facility or traffic policy, which can be published for all parents, carers, teachers and students
- Notify parents of any problems via school newsletters and at assemblies.

We can help!

The City of Stirling officers conduct regular school parking patrols during school times and are happy to help with any parking concerns your school may have.

We can visit your school to remind parents about safe parking and follow up with enforcement action if required.

Parking do's

- Be aware
- Be courteous
- Be responsible
- Use the kiss-and-drive facility (if provided)
- Observe and adhere to all regulatory signage
- Slow down around schools and drive safely.

Parking Don'ts

- Block driveways
- Park on footpaths
- Park in bus zones
- Obstruct children's crossings
- Park on a verge without consent
- Double park.

No stopping areas

No stopping areas can be defined by signage or **a continuous yellow line painted along the edge of a road.**

Please note, **a driver is not permitted to stop** on a length of road or in an area where No Stopping restrictions apply, this includes dropping off passengers or goods in No Stopping areas. Vehicles may only stop in these zones to comply with other regulations (for example, at traffic lights or to avoid an accident).

Double parking

A driver must not stop a vehicle so that any portion of the vehicle is between any other stationary vehicle and the centre of the road.
