Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p><i>Artwork by Darryl Bellotti</i></p>	<p><b>Makuru Winter   June and July</b></p> <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges.</p> <p>During this season, waterways and catchments begin to fill and Noongar people change their diet from eating food from the sea and lakes to hunting grazing animals such as the kangaroo (Yongar). The Yongar not only provided a food source but also Bookas, which are animal skin cloaks used as nights became much colder. Bones and sinews were also used from the Yongar for spear making and manufacturing of a Booka.</p>

### **Young Engineers After School Club @ Tuart Hill Primary School, Term 3, 2023**

Information regarding this club is at the end of this eNews. Please note that parents pay if you enrol for the Club, that there is a strictly limited group of 10 Year 1 and 2 students plus another group strictly limited to 10 again for years 3-6. If you are interested, after you have looked at through the links included in the flyer, contact the group immediately. They will act on first in best dressed basis but would consider a waiting list for Term Four clubs and maybe beyond, if there is interest.

Our school is happy to host the Young Engineers Club, and trial it as an out-of-school option for our families, as we know our students are curious, inquisitive and clever – this could be just the after-school club to engage and inspire your genius-in-training 😊.

### **Running Club - Tuesday and Thursdays 8-8.30am**

Mr Ellison and Mrs Connolly are hosting optional running training for our **Year 3-6 students only** in preparation for our Faction Cross Country event Friday 23 June and Interschool Cross Country Tuesday 25 July. All students who attend should be willing to complete *all* of the activities as this training is strenuous and is aimed at improving their fitness.

If your child has senior choir on Thursdays, please go to training on Tuesdays. If it is raining, training will only be cancelled if it is heavy and too dangerous to run.

### **2023 Dance Lessons**

I hope your child/ren are enjoying this term's Dance lessons.

Dance – and Physical activity - should have the same status in schools as maths, science, and language.

[Sir Ken Robinson](#) says Dance may even help raise test scores! [Dance education in schools](#) has several benefits for students of all ages. These benefits include:

- Developing problem-solving skills, mental flexibility, creativity, physical dexterity, coordination, skills in teamwork, collaboration, and self-confidence<sup>1</sup>.
- Exercise, which gets the heart pumping<sup>2</sup>.
- Nurturing a sense of appreciation and admiration for the arts<sup>2</sup>.
- Boosting social and self-acceptance<sup>2</sup>.
- Encouraging originality and expression<sup>2</sup>.
- Developing poise in the spotlight<sup>2</sup>.

Parents are invited to the last lesson of this series of Dance to participate as your child/ren showcase their skills. Please find the time of the lesson relevant to you, and arrive at the Hall for a fun-filled experience:
