Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Makuru Winter / June and July</p> <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges.</p> <p>During this season, waterways and catchments begin to fill and Noongar people change their diet from eating food from the sea and lakes to hunting grazing animals such as the kangaroo (Yongar). The Yongar not only provided a food source but also Bookas, which are animal skin cloaks used as nights became much colder. Bones and sinews were also used from the Yongar for spear making and manufacturing of a Booka.</p> <p><i>Artwork by Darryl Bellotti</i></p>

Kaya to our school community.

Apologies to our KPP parents

... who arrived for the Kindy Pre-Primary Poetry Picnic. I had missed the memo that changed our youngest children's poetry recitations to Term Four. I will make sure I put the correct date and time in future eNews. Thank you for your support of our school – and for reading the eNews Calendars! – and please accept my humble apologies if I caused you any inconvenience.

City of Stirling ACROD Parking Bay review

The City of Stirling is undertaking a review of ACROD bays across the City with a view to deleting non-compliant bays and is working with the Department to relocate these bays onto Dept of Ed land as required under the legislation. The ACROD bay on Cape Street has been identified as non-compliant as it is too narrow and short

Tuart Hill PS has already constructed an ACROD bay onsite within the Staff Car Park so in view of this, it is the City's intention to delete the ACROD bay on Cape Street and convert it back to a 15-minute bay.

Whilst the City has the line marking contractor onsite the City will take advantage of an opportunity to provide the school with a further six formal parking bays by marking out formal 15-minute bays a further 36m with associated signage beyond the existing formal parking, remaining cognisant of sight lines of Cape Street traffic for vehicles exiting Acorn Lane. **This will effectively provide the school with a further seven formally marked 15-minute bays on Cape Street.**

The City will complete these works during the July School Break. If you have any comment regarding these changes, please email me beverly.innes@education.wa.edu.au, thank you. I am continuing to work with the City of Stirling Road Safety Officer to improve traffic conditions around our school and welcome all your suggestions. Parents may also use the [online Contact page](#) on the [City of Stirling Website](#) to raise queries or make comment – your voice will support me and the P&C Executive as we lobby for a round-about at the Banksia Street and Lawley Street intersection, which might help Kiss n Drive function better at pick up.

RU Legal Parent Presentation

R U Legal? is a program of free community legal education sessions and resources for young people between 10 and 18 years old. It has been developed by Legal Aid WA to provide young people with information about the criminal justice system and the laws that affect them. Sessions are presented from the perspective of criminal lawyers and use real-life examples to show legal consequences to young people.

The Year 5 & 6 students will be attending a free, R U Legal session at school on Tuesday 20th June during their lesson time. There will be a strong focus on Cyber Safety and Cyber Security, as well as other aspects of laws that affect young students.

We have the opportunity to host a **parent information session for parents of any year level**. This is an opportunity for our community to access up to date information regarding online safety and what parents can do to support their child in an online environment.

A Connect Notice has been posted to our online communication platform with an information slip for parents to complete if you would be interested in coming to the **parent information session on Tuesday 20th June at 3.15pm – 4.15pm**, however if you prefer please email cameron.benness@education.wa.edu.au to ensure we lay a coffee cup out for you, thank you. Please make alternative care arrangements for your children as the parent session is not suitable for children to attend and children cannot stay on school grounds unattended.

Tuart Hill Primary School 2023 Poetry Palooza

Our school chose last week as our Poetry Week.

We agreed as a staff to use this opportunity to support students to overcome the challenge of public speaking and to promote the value of Poetry as a vehicle carrying the joy of language such as rhythm, beat, vocabulary, pace, rhyme, simile, interpretation, expression. Year levels 1-6 participated in live-audience presentation events throughout the week; our Kindy and PP students will present their poems during their Term Four – watch your class Connect pages.

Year One Room 13

The theme was 'In My Element' and the poems had explicit links to NAIDOC, Science, HASS, Talk4Reading and Talk4Writing.

The Poetry Picnic is a NON-competitive event, where each class presents a poem of their teachers' choice to the audience.

Year One Room 14

We videoed the Year ones and posted the videos to your class Connect – have you seen the videos? They are awesome!

Year One Room 12

Year One Room 15

Each year level was provided with poems to enjoy in class, then individuals selected their favourite poem to perform. Students presented their poem to their own class; each class selected their representatives who would present their poem to the wider peer group and parent audience.

A Palaver (Yr 2-6) is a competition-style event where classroom representative students will compete to win against the other students in their year level. Students will be judged using the curriculum-based public speaking rubric, and winners were announced on the day.

Year Two and Three winners!

Years Four, Five and Six Class Representatives

We are delighted to invite preschool kids (and parents!) to come and test the new Preschooler Baller playground we have created @ The Football Centre, Osborne Park for **FREE**

Each weekday from 9am-11am we now turn the indoor football pitch @ The Football Centre into a Preschooler Ballers football dream!! ⚽⚽⚽

The Football Centre is completely indoor allowing you to escape the elements. The playing area is fully enclosed by walls/netting.

The synthetic grass is designed to perform like the real thing. Our surface is soft enough that adult players wear their outdoor boots when playing.

While the kids run free(ish), parents or other carers are welcome to join them on the pitch and/or enjoy a coffee and chat while watching the fun from our spectator area adjacent to the pitch.

As part of the launch we are offering **5-FREE-SESSIONS** for use before the end of June to anyone wanting to give it a go.
