Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Makuru Winter / June and July</p> <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges.</p> <p>Makuru is also a time for animals to begin pairing up in preparation for breeding in the coming season. Wardongs (ravens) can be seen flying together during this season, and upon the lakes and rivers of the Southwest you will notice the influx of Mali of Black Swan as they prepare to nest and breed.</p> <p><i>Artwork by Darryl Bellotti</i></p>

Semester 1 2023 Summative Student Reports Posted to Connect Yesterday 23 June 2023

I am sure you will enjoy reading your child/ren's report through with them to find areas of improvement and celebration as well as the improvement suggestions that each class teacher makes.

If you have any queries around your child/ren's Summative Report, please email the teacher concerned and make a time for a chat, either face to face or over the phone. It is important to reach the School Break comfortable that you know the thinking behind any assigned grade.

You will be aware that our school has moved to Connect as the preferred Department of Education communication platform. Many people love the electronic form of all communications, but if you like to have the Report in hard copy, please email Reception on tuarthill.ps@education.wa.edu.au and we will ensure the Summative Report is printed off and placed in your child's school bag.

This year our school is planning an **Open Night on Wednesday 9 August, 5.00 – 6.00 pm**. All classrooms will be open to parents and carers, including Specialist rooms. We invite you into the classroom for you child/ren to share a variety of activities with you. Teachers will be available for conversation; however this is not a time for a parent/teacher interview. We always hope to work with you to support every student at Tuart Hill Primary School to make the best progress and to achieve to their potential, so please make private appointment times if you want to chat to your child's teacher about their achievements and the next steps for continued progress.

I look forward to continuing to work closely with you to support all our students to make educational progress and have a positive school experience.

2023 School Dance Lessons

The 2023 series of School Dance Lessons concluded with parents invited to view the dances the students had learned, and to have a chance to participate. It was fabulous to see so many parents in the Hall for the final Showcase lesson – I hope you had fun dancing with us!

Our school always strives to be the best we can, and then to improve. Therefore, we seek your feedback following events, to inform future planning and to know that our decisions support your children to make progress and achieve socially, emotionally, physically, artistically, and academically.

Please use this Link to ensure your views are heard - <https://forms.office.com/r/tNuzhrQqY3>.

You may find it easier to scan this QR code

This feedback form remains **open until** the end of the Winter School Break - 16 July 2023. Encourage your friends to have a say! Thank you.

City of Stirling ACROD Parking Bay review

The City of Stirling is undertaking a review of ACROD bays across the City with a view to deleting non-compliant bays and is working with the Department to relocate these bays onto Dept of Ed land as required under the legislation. The ACROD bay on Cape Street has been identified as non-compliant as it is too narrow and short

Tuart Hill PS has already constructed an ACROD bay onsite within the Staff Car Park so in view of this, it is the City's intention to delete the ACROD bay on Cape Street and convert it back to a 15-minute bay.

Whilst the City has the line marking contractor onsite the City will take advantage of an opportunity to provide the school with a further six formal parking bays by marking out formal 15-minute bays a further 36m with associated signage beyond the existing formal parking, remaining cognisant of sight lines of Cape Street traffic for vehicles exiting Acorn Lane. **This will effectively provide the school with a further seven formally marked 15-minute bays on Cape Street.**

The City will complete these works during the July School Break. If you have any comment regarding these changes, please email me beverly.innes@education.wa.edu.au, thank you. I am continuing to work with the City of Stirling Road Safety Officer to improve traffic conditions around our school and welcome all your suggestions. Parents may also use the [online Contact page](#) on the [City of Stirling Website](#) to raise queries or make comment – your voice will support me and the P&C Executive as we lobby for any suggestions that might help parking improve around our school generally and Kiss n Drive function better at pick up and drop off in particular.

Kiss n Drive reminder

Please ensure you stay in your car if you pull into Kiss n Drive. The flow of traffic depends on cars having space to move out or down the marked Kiss n Drive area on Banksia Street. One 'stuck' car causes chaos.

The marked bays on Banksia Street and Cape Street are reserved for 15-minute parking only – just enough time to get to the PP or Kindy door to collect your youngest children. It is very frustrating for parents who must park and leave their cars if a vehicle is parked all day in these bays. Longer parking is currently available on Acorn Lane and Lawley Street. We join you in acknowledging the frustration parking around our school causes, yet if we all think in consideration of others, we can manage drop-off and pick up smoothly. Thank you to the parents who have passed on suggestions and identified frustrations. I value your views and am happy to listen to everyone who takes a solution-based approach.

Welcome Mr Kevin Pigg

I am pleased to introduce Kevin to you. Kevin joins our team as Gardener/Handyman each Monday, Tuesday, Wednesday and Thursdays then sometimes Fridays if required. Wayne O'Shea, our long-serving three-day-a-week Garden Handyman, is pleased to have another gardener on our site and both gentlemen agree that the grounds are beginning to look schmiko. I asked Kevin about himself:

My Name is Kev Pigg, I am the gardener at Tuart Hill Primary School.

I enjoy and have a passion for gardening and working outdoors, I left my trade as an Electrical Control Designer to do what I enjoy more, which also includes helping and working with people to make a difference to their lives. As I love both gardening and helping people, prior to working as a school gardener, I had my own small gardening business and also worked as a support worker / trainer, teaching people with various disabilities to go out gardening and operate garden tools in a safe manner, it was very rewarding.

My hobbies are surfing and art (drawing), using my surfing skills I taught a 13 year old with ASD to surf, and was proud to notice the positive change in his communication and interest in socialising.

I hope you notice the difference I am making at Tuart hill Primary school grounds.

On behalf of the school community, thank you Wayne and Kevin for the fantastic work you are doing to keep our grounds safe and to improve the sandpits, garden beds and ovals. We appreciate your efforts!

Kind regards, **Beverly Innes**

Tuart Hill Primary School 2023 Faction Cross Country

The 2023 Faction Cross Country has been run and won, in rainy conditions. Thanks to all the families who came out in the bitter cold to shout and cheer, and to our staff for your help around the course.

Mrs Connolly will use the results of yesterday's events to invite students to the Interschool Cross Country, to be held next term on Tuesday 25 July, at the Charles Veryard Reserve in North Perth, from 9.00am to approximately 12.30 pm. Selected students will receive their notes next week, along with some suggestions on how to keep their fitness and stamina up during the school break. Currently I only have photos of our Year Six students – I will publish more in next week's eNews as they are forwarded to me.

Congratulations to everyone who ran the course. You must be proud of your effort, commitment, and determination. We are proud of you!

Come and test the new Preschooler Baller playground we have created @ The Football Centre, Osborne Park for **FREE**

We are delighted to invite preschool kids (and parents!) to come and test the new Preschooler Baller playground we have created @ The Football Centre, Osborne Park for **FREE**

Each weekday from 9am-11am we now turn the indoor football pitch @ The Football Centre into a Preschooler Ballers football dream!! ⚽⚽⚽

The Football Centre is completely indoor allowing you to escape the elements. The playing area is fully enclosed by walls/netting.

The synthetic grass is designed to perform like the real thing. Our surface is soft enough that adult players wear their outdoor boots when playing.

While the kids run free(ish), parents or other carers are welcome to join them on the pitch and/or enjoy a coffee and chat while watching the fun from our spectator area adjacent to the pitch.

As part of the launch we are offering **5-FREE-SESSIONS** for use before the end of June to anyone wanting to give it a go.
