Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Makuru Winter / June and July</p> <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges.</p> <p>During this season, waterways and catchments begin to fill and Noongar people change their diet from eating food from the sea and lakes to hunting grazing animals such as the kangaroo (Yongar). The Yongar not only provided a food source but also Bookas, which are animal skin cloaks used as nights became much colder. Bones and sinews were also used from the Yongar for spear making and manufacturing of a Booka.</p> <p><i>Artwork by Darryl Bellotti</i></p>

Mr Ellison and Mrs Connolly are hosting optional running training for our **Year 3-6 students only** in preparation for our Faction Cross Country event Friday 23 June and Interschool Cross Country Tuesday 25 July. All students who attend should be willing to complete *all* of the activities as this training is strenuous and is aimed at improving their fitness.
