Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Makuru Winter / June and July</p> <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges.</p> <p>During this season, waterways and catchments begin to fill and Noongar people change their diet from eating food from the sea and lakes to hunting grazing animals such as the kangaroo (Yongar).</p> <p>Makuru is also a time for animals to begin pairing up in preparation for breeding in the coming season.</p> <p>Blue and purple flowers such as Blueberry Lilly (Dianella Revoluta) and the Purple Flags (Patersonia Occidentalis) emerge during these colder months, and as Makuru draws to a close. You will notice the white flowers of the weeping peppermint (Agonis Flexuosa) as the blues start to make way for the white and cream flowers of Djilba.</p> <p><i>Artwork by Darryl Bellotti</i></p>

Celebrating Good Standing with our Students

All students who retained their Good Standing during Term Two had a fabulous time on Friday 30 June, enjoying an extra Play Break with their teachers and friends.

The joy you can see on our students' faces shows how much this acknowledgment of their efforts to meet Tuart Hill Primary School behaviour expectations is appreciated. Thank you for working with us as we guide our students to develop into responsible, resilient citizens of the world who make positive choices and contribute effectively to their communities.

The Arts Extravaganza at Dianella Secondary College – Wednesday 28 June 2023

All Year Five students attended Dianella Secondary College on the last Wednesday of Term Two to rotate through Dance, Visual Arts, Music, Media and Drama activities. What a fabulous time our students enjoyed – we thank Dianella Secondary College for offering this opportunity!

2023 Winter Sports Lightning Carnival Tuesday 27 June

Mrs Connolly and Mr Ellison are so proud of all our Teams who competed to their best at the Lightning Carnival. I would like to say a big thank you to everyone for their incredible work in making the day so successful for our school.

Sash and Mr Hamilton thanks for your hard work with our soccer students. **Congratulations on our first soccer win in the time Mrs Connolly has been at THPS!** We are so proud of this team and their coaches.

Excellence ♦ Care ♦ Equity ♦ Learning

While our AFL didn't achieve the same results as netball and soccer our students today made us all proud. Thanks Mrs Raschilla and Mr Ellison for coaching.

Mrs Donald and Kerri-Anne what a wonderful day your teams had at the courts. From the start where we had to change court numbers to our A team making the final and improving so much, we all had a day to remember.

Semester 1 2023 Summative Student Reports

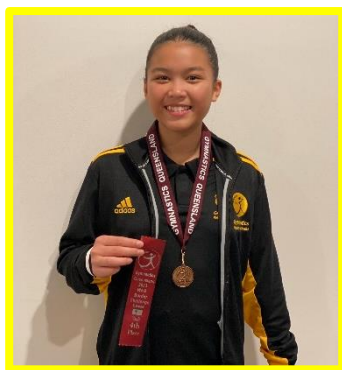

I am sure you have enjoyed reading your child/ren's report through with them to find areas of improvement and celebration as well as the improvement suggestions that each class teacher makes.

Our school uses Connect as the preferred Department of Education communication platform. Many people love the electronic form of all communications, but if you like to have the Report in hard copy, please email Reception on tuarthill.ps@education.wa.edu.au and we will ensure it is printed off and placed in your child's school bag.

If you have any queries around your child/ren's Summative Report, please email the teacher concerned and make a time for a chat, either face to face or over the phone. It is important to commence Semester Two comfortable that your child/ren are making the expected progress and achieving to their personal best.

This year our school is planning an **Open Night on Wednesday 9 August, 5.00 – 6.00 pm**. All classrooms will be open to parents and carers, including Specialist rooms. We invite you into the classroom for your child/ren to share a variety of activities with you. Teachers will be available for conversation; however, this is not a time for a parent/teacher interview. We always hope to work with you to support every student at Tuart Hill Primary School to make the best progress and to achieve to their potential, so please make private appointment times if you want to chat to your child's teacher about their achievements and the next steps for continued progress.

I look forward to continuing to work closely with you to support all our students to make educational progress and have a positive school experience.

Tuart Hill Students ExCEL

You may recall that one of our students Mirelle S was selected to represent Western Australia in the Border Challenge recently.

The WA Level 8 team (Mirelle's team) achieved a bronze medal. Mirelle was awarded 4th place for Vault apparatus.

Congratulations, Mirelle! We are all so very proud of you!

Young Engineers After School Club @ Tuart Hill Primary School, Term 3, 2023

Information regarding this club is at the end of this eNews. Please note that parents pay if you enrol for the Club, that there is a strictly limited group of 10 Year 1 and 2 students plus another group strictly limited to 10 again for years 3-6. If you are interested, after you have looked at through the links included in the flyer, contact the group immediately. They will act on first in best dressed basis but would consider a waiting list for Term Four clubs and maybe beyond, if there is interest.

Our school is happy to host the Young Engineers Club, and trial it as an out-of-school option for our families, as we know our students are curious, inquisitive and clever – this could be just the after-school club to engage and inspire your genius-in-training 😊.

Kiss n Drive reminder

Please ensure you stay in your car if you pull into Kiss n Drive. The flow of traffic depends on cars having space to move out or down the marked Kiss n Drive area on Banksia Street. One 'stuck' car causes chaos.

The marked bays on Banksia Street and Cape Street are reserved for 15-minute parking only – just enough time to get to the PP or Kindy door to collect your youngest children. It is very frustrating for parents who must park and leave their cars if a vehicle is parked all day in these bays. Longer parking is currently available on Acorn Lane and Lawley Street. We join you in acknowledging the frustration parking around our school causes, yet if we all think in consideration of others, we can manage drop-off and pick up smoothly. Thank you to the parents who have passed on suggestions and identified frustrations. I value your views and am happy to listen to everyone who takes a solution-based approach. I look forward to continuing to work with you for the best benefit of all our students and our wider school community.

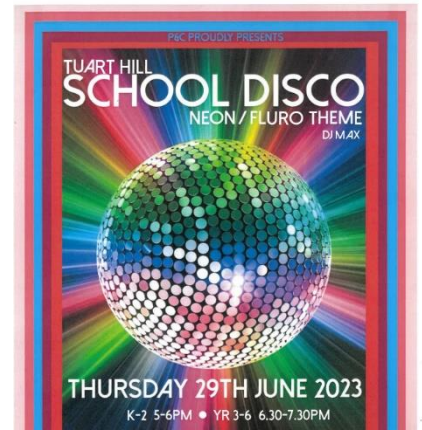

Kind regards, *Beverly Innes*
