Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p><b>Makuru Winter   June and July</b></p>  <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges. During this season, waterways and catchments begin to fill and Noongar people change their diet from eating food from the sea and lakes to hunting grazing animals such as the kangaroo (Yongar).</p> <p>Makuru is also a time for animals to begin pairing up in preparation for breeding in the coming season. Blue and purple flowers such as Blueberry Lilly (Dianella Revoluta) and the Purple Flags (Patersonia Occidentalis) emerge during these colder months, and as Makuru draws to a close. You will notice the white flowers of the weeping peppermint (Agonis Flexuosa) as the blues start to make way for the white and cream flowers of Djilba.</p> <p><i>Artwork by Darryl Bellotti</i></p>

## From the Principals Desk

*Kaya* to our school community.

### Sharing and Learning with our Buddies

PPA and Room 5 Year 4 have teamed up so the students can work together on reading and activities. There was as much enjoyment listening to the Pre-Primaries read and enjoying their responses to our questions as the younger students loved having the older students in their room.

### Friday Friendships with our Chaplain Deb

[Chaplaincy services](#) play an important role in supporting schools to provide pastoral care. Pastoral care programs offer a range of services and strategies to support the social and emotional wellbeing of students. Chaplains may be of any faith or no faith; chaplaincy programs are designed to support all students to navigate relationships, to build self-esteem and to value personal strengths.

Chappy Deb attends our school every Friday. This Term Deb is offering alternative activities from 1.30 pm each Friday for students who would like to build new friendships and forge more connections and chat as they colour, read, play board games or card games. This Friday's opportunity was very popular...

**Young Engineers** After School Club and before school **Tennis** begins this week. See the Community News section 😊.

Kind regards, *Beverly Innes*
