eNews Volume 19 29 July 2023

Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p><b>Makuru Winter   June and July</b></p>  <p>The coldest and wettest time of the year, Makuru was traditionally the time that Noongar people moved back inland and away from the coast. Winds turn to the west and south bringing rain and occasional snow on the peaks of the Stirling and Porongurup Ranges. During this season, waterways and catchments begin to fill and Noongar people change their diet from eating food from the sea and lakes to hunting grazing animals such as the kangaroo (Yongar).</p> <p>Makuru is also a time for animals to begin pairing up in preparation for breeding in the coming season. Blue and purple flowers such as Blueberry Lilly (Dianella Revoluta) and the Purple Flags (Patersonia Occidentalis) emerge during these colder months, and as Makuru draws to a close. You will notice the white flowers of the weeping peppermint (Agonis Flexuosa) as the blues start to make way for the white and cream flowers of Djilba.</p> <p><i>Artwork by Darryl Bellotti</i></p>

## Story Dogs

[The Story Dogs Charity](#) aims to make reading fun for children, so they become confident, life-long learners. The trained dogs and their owners create a fun safe supportive non-judgemental environment for Primary school aged children needing assistance with Literacy.

When children read to a dog, the outcomes are amazing! The accepting, loving nature of dogs gives this program its magic and helps children relax, open up, try harder and have fun when reading to a friendly, calm dog. Woof!

Our Year Two children have an opportunity to read to Lulu most weeks. Here Lulu is helping Tobi read his story with confident expression. You can see Lulu loved hearing Tobi's reading!

## Buddies sharing – a two-way learning experience

PPA and Room 5 Year 4 have teamed up so the students can work together on reading and activities. There was as much enjoyment listening to the Pre-Primaries read and enjoying their responses to our questions as the younger

students loved having the older students in their room.

Mentoring other students consolidates curriculum knowledge, encourages relationships and supports learning for both age groups who participate. So much fun with two-way teaching happening at a peer-to-peer level.

## Thank you

Thank you to [Bunnings Osborne Park](#) for the generous donation of 48 rolls of masking tape to use in our Science Week activity. Your support for our children and our community is greatly appreciated!

Keep your eyes peeled on the upcoming eNews for the results and photos from our **Week 5 Science Week STEM task**, to be held on Thursday 17 August.

Regards, **Sharon Cheeseman** Science Specialist 1-6
