eNews Volume 24 2 September 2023

Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p><b>Djilba First Spring / August and September</b>  A transitional time of the year, Djilba has days that are very cold, some that are rainy and windy and others where the sun comes through. As the days start to warm up, you'll hear and see the first of the newborn animals with their parents providing them with food, shelter and protection from other animals and people. The woodland birds will still be nest bound, hence the swooping behaviour of the Koolbardi (magpie), Djidi Djidi (Willywag tails) and the Chuck-a-luck (wattle birds).  This is the start of the massive flowering explosion in the Southwest. It begins with yellow flowering plants such as the Acacias. You'll also notice cream and striking blue coloured flowers. As the season progresses and the temperatures continue to rise, you will see the flower stalks of the Balgas (Grass Tress) emerging in preparation for the coming Kambarang season.  Traditionally, the main food source at this time of the year included many of the land based grazing animals including Yongar (kangaroo), Waititj (Emu) and the Koomal (possum).</p> <p><i>Artwork by Darryl Bellotti</i></p>

**Thank you** to everyone involved in making our carnival so successful. I would like to acknowledge all of the staff at our school for their amazing work in organising and supporting our students on the day. Thank you, Parents and Carers, for your positivity, willing help and good cheer. The **Bake Sale** was a tremendous success, raising **\$2100**, thanks to your support.

The day was such a pleasure due to our community's hard work, willingness to help out and commitment to our students. The drenching deluge at the end was a bit of a dampener, yet we celebrate Scorpio's win, and applaud all our champions.

If you have any feedback regarding any aspect of the Carnival that could inform improvements for 2023, we would like to hear from you – email [Catherine.connolly@education.wa.edu.au](mailto:Catherine.connolly@education.wa.edu.au); thank you. We are always reflecting and looking to improve every school event.

## Weekend Winners

Our **Year Six Netball Team** celebrates with a **2023 Pennant!** Congratulations to all involved – training, supporting, umpiring, scoring – and of course – playing. Well done Tuart Hill Students and Parents!!

## Be Swoop Smart this Magpie Nesting Season

With magpie nesting season returning in spring, the City of Stirling is encouraging residents to observe a few key tips to stay safe through to season-end in November.

The City's [Swoop Smart campaign](#) is advising residents to avoid swooping hotspots and report any magpie incidents to help balance community safety and the preservation of the natural environment.

Swoop Smart Tips include:

- Stay clear of caution signs and roped off areas
- Plan alternative routes
- Hop off bikes and scooters when caution signage is present
- Do not provoke birds, particularly magpies
- Supervise children and ensure they wear sunglasses and a wide brimmed hat, and
- If swooped, cover eyes and face, look away from the bird and walk calmly away.

Magpie incidents should be reported by calling (08) 9205 8555.

## Traffic Warden Unavailable from Monday 28 August – Monday 9 October

Our Traffic Warden Lester, who works at the Children's Crossing on Cape Street, near Banksia Street, is unable to work from **Monday 28 August**, returning on **Monday 9 October**. Unfortunately the Children's Crossings Unit of the WA Police have no relief staff available to cover the position.

Please escort your children to school, or ensure they remain vigilant whilst crossing Cape Street without a warden present. Thank you.

## Thank you for sharing our joys and achievements this week...

We celebrate working with you to ensure all our students make progress and achieve.

Kind regards, *Beverly Innes*
