Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Artwork by Darryl Bellotti</p>	<p>Djilba First Spring / August and September</p> <p>A transitional time of the year, Djilba has days that are very cold, some that are rainy and windy and others where the sun comes through. As the days start to warm up, you'll hear and see the first of the newborn animals with their parents providing them with food, shelter and protection from other animals and people. The woodland birds will still be nest bound, hence the swooping behaviour of the Koolbardi (magpie), Djidi Djidi (Willywag tails) and the Chuck-a-luck (wattle birds).</p> <p>This is the start of the massive flowering explosion in the Southwest. It begins with yellow flowering plants such as the Acacias. You'll also notice cream and striking blue coloured flowers. As the season progresses and the temperatures continue to rise, you will see the flower stalks of the Balgas (Grass Tress) emerging in preparation for the coming Kambarang season.</p> <p>Traditionally, the main food source at this time of the year included many of the land based grazing animals including Yongar (kangaroo), Waititj (Emu) and the Koomal (possum).</p>

Swoop Smart Magpie Awareness and Information Pack

As the days warm up in Djilba, you'll start to see and hear the first newborn birds alongside their proudly protective parents providing food, teaching new skills and keeping them safe from other animals, including humans.

Magpies (Koolbardi), Willy Wag Tails (Djidi Djidi) and Wattle Birds (Chuck-a-luck) are among the few birds that fiercely protect their nests, hence the swooping behaviour.

In the next few weeks schools in the City of Stirling will receive a 'Magpie Swoop Smart' pack to increase awareness of this seasonal bird behaviour. To report a swooping incident within the City of Stirling, phone (08) 9205 8555.

For more information about swooping behaviour, please visit [the website](#).

The following tips will help you stay safe and reduce the impact of a swooping magpie

- Look out for any caution signage placed in our parks and reserves, stay clear of nesting sites and plan alternative routes
- Do not provoke magpies as they swoop to protect their young
- Wear sunglasses, a wide brimmed hat (especially kids) or carry an umbrella
- Travel in groups if possible as the birds often target individuals
- If you are riding a bike, dismount and walk through nesting magpie territory
- If you are swooped by a magpie, stay calm, walk away but do not run, and avoid looking towards the swooping birds.

Thank you for sharing our joys and achievements this week

We celebrate working with you to ensure all our students make progress and achieve. Have a safe and happy Spring School Break. Kind regards, *Beverly Innes*

P and C News

To our community that supported our Quiz Night.....THANK YOU!!!

We hope you all enjoyed the quiz on the weekend, it really was so great to see so many of you attend and support our event. We were able to raise \$9100 through this event!

So far this year, through various fundraising events, **we have raised almost \$22 000**, which is amazing. We have a couple of events planned for Term 4, including **Referendum Bake Sale/Sausage Sizzle**, and **Bunnings Sausage Sizzle** plus we will do our annual **Lapathon Raffle**. If we can, it would be awesome to fundraise \$30K in 2023.

Think of how these funds can support our kids learn, play and develop positively at our school.
