Makuru	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Kambarang: <i>Transformational time of the year October and November</i></p> <p>Kambarang is the wildflower season with many yellow flowers, orchids, kangaroo paws and banksias in bloom. Even the Balgas will flowers, especially if they have been burnt in the past year. One of the most striking displays of flowers at this time of year is the Mooja or Australian Christmas Tree, where its bright orange/yellow flowers signal that heat is on its way. As many things are undergoing transformation with the warm change in the weather and longer dry periods, October is a time of the year you are most likely to encounter a snake. Reptiles at this time are emerging from hibernation and look to make the most of the warm weather to assist them in getting enough energy to look for food.</p> <p><small>Artwork by Darryl Bellotti</small></p>

From the Principals Desk

Kaya to our school community.

THANK YOU

...for thanking our teachers last Friday 😊!

Your kind words and acknowledgements lifted moods all day. We appreciate how much you appreciate the hard-working and dedicated educators at Tuart Hill Primary School.

We acknowledge and pay respect to the **past, present and future** traditional custodians of this boodja, the **Wajuk Noongar** people, who live, love and raise their **koolangka** here.

We are the Tuart mort.

We honour the **boodja** on which we **grow, play and learn**.

Junior Talk Off

The standard of our Junior Talk Off Finalists was absolutely outstanding this year. All the students were well prepared, very confident and extremely articulate. Their talks were very interesting from ear wax and the Noongar culture to the human body and why we need to stop littering, just to name a few. Thank you to everyone who helped with the organisation of the event and the teachers and carers for getting the students so well prepared.

Our winners were:

Year 1: **Delilah** with her topic on Laughter and second place to Alia with her topic on Loving Nature.

The Year 2 winner was **Olivia C** with her talk on The Sun and second place to Evie D with her interesting topic on the emergency procedures at the zoo.

Our Year 3 winner was **Izabela T** with her talk on Ice-cream and followed closely by Ridhi who spoke on the need to save water.

Senior Talk Off

Thanks to everyone who contributed to the Senior Talk Off. The standard was extremely high with many interesting and varied topics. Our winners were:

Year 4: **Emilia** with her talk on Recycling. All year 4 students were outstanding and all deserved to win.

Year 5: **Rebecca L** with her talk on ABBA. All other Year 5 students were amazing and talked on some very interesting topics.

Year 6: **Molly** was the overall Year 6 winner with her talk on Tuart Hill Talk Off and how this has been of a great benefit to her. The other Year 6 students were also extremely good so it was difficult to choose.

Again, such a fabulous event in our school year. We are very appreciative of the drive and energy that our colleague **Mrs Cathy Donald** brings to Talk Off. Cathy makes sure we are all aware of our responsibilities, the expectations and procedures. Thank you, Mrs Donald – you are a champion! Warm thanks to **Mr Sharpe** for the Certificate Graphics.

Excellence ♦ Care ♦ Equity ♦ Learning

2023 School Planning and Class Placement Requests

We are currently planning how 2024 classes might look, and teachers are thinking about next year's class lists.

Please help us be accurate with our planning by letting the School know via email tuarthill.ps@education.wa.edu.au as soon as possible **if your child will not be returning to our school in 2024**. Thank you.

Do you have a particular educational request for your child moving in next year? Student placements into classes are planned very carefully with a number of factors taken into consideration. These include:

- Special needs
- Friendship groups
- Social skills
- Academic performance
- Educational comments and requests

Confidential comments and requests from parents should be addressed to me, beverly.innes@education.wa.edu.au and must be received in writing by midnight **Friday 10 November 2023**. I will consider all requests in conjunction with school organisational needs as well as professional advice from staff.

Requests for specific teachers will not be considered. Please note - the Principal's decision is final.

Please do not hesitate to contact me beverly.innes@education.wa.edu.au if you have any queries regarding 2024 classes; thank you.

2024 School Development Days

Schools are granted pupil-free days each year to support whole school staff development, implementation, review and replanning of strategic directions and curriculum support.

There is one School Development day left in 2023 – on **Friday 15 December 2023** all rostered educators will attend school but students will not.

The Department of Education has granted six School Development Days for 2024. Following a presentation from the Administration Team, these dates have been approved by the School Board:

- **Monday 29 January 2024** Pupil free - all rostered educators will attend school but students will not.
- **Tuesday 30 January 2024** Pupil free - all rostered educators will attend school but students will not.

School starts for students on Wednesday 31 January 2024

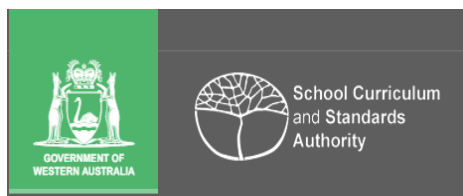

- **Friday 26 April 2024** follows the ANZAC Day Public Holiday Thursday 25 April 2024 to create a four-day longer weekend for THPS families during Term Two.
- **Friday 16 August 2024** creates a three-day long weekend for THPS families in the middle of Term Three
- **Friday 8 November 2024** creates a three-day long weekend for THPS families in the middle of Term Four
- **Friday 13 December 2024** - the last day of Term Four

Our Staff collaborate with Curriculum Leaders and the Admin Team to set rich agendas for School Development Days that result in stronger Curriculum knowledge, increased efficacy in teaching craft and consistent assessment progressions while building stronger morale, effective mentoring and better team processes.

Please contact beverly.innes@education.wa.edu.au if you have any queries regarding School Development Days, or any other educational matter relating to our school; thank you.

2023 Semester Two Student Summative Reports

Staff are continuing to present lessons designed to support students to demonstrate their knowledge and skills so that they demonstrate expected learning outcomes across the <https://parent.scsa.wa.edu.au/> Western Australian Curriculum. Teachers use their [professional judgement](#) to synthesise demonstrations of individual student progress and achievement into grades, where a 'C' grade is 'as expected' or 'satisfactory'.

I encourage parents and carers to take the time to 'check in' with class teachers to make sure you know:

- how your child/ren are going,
- that you have the opportunity to see work samples, and
- ask your teacher for their professional judgement as to whether, based on current information, your child's progress is 'good enough'.

From these queries flows comments around:

- what you can expect to happen at school, and
- how you can support your child at home.

The best way to make a time with your child/ren's teacher for a check in is to email them via their professional email and arrange a mutually convenient face to face appointment time. Please email the teacher who teaches the relevant curriculum area that matches your query – our Specialist teachers welcome subject-specific conversations:

- Ms Jurgowiak carly.jurgowiak@education.wa.edu.au – Music
- Mrs Shelsher amanda.shelsher@education.wa.edu.au – Visual Arts
- Ms Cheeseman sharon.cheeseman@education.wa.edu.au – Science
- Mr Ellison joshua.ellison@education.wa.edu.au – Speaking and Listening
- Mrs Connolly catherine.connolly@education.wa.edu.au and Mr Ellison- Physical Education.
- Mr Bradstreet mark.bradstreet@education.wa.edu.au – Spanish

Parents are also welcome to email Tuarthill.ps@education.wa.edu.au and ask me to forward your request to relevant teachers. Please be invited to make a time to speak to me if you would like to understand the Western Australian Curriculum, any part of the assessment/ planning/teaching and learning/ re-assessment/ replanning cycle or how teacher judgements result in a grade. I love to chat and education is my passion ☺.

Our staff and I look forward to continuing to work with you to support all students to progress academically, physically and social/emotionally.

Thank you for sharing our joys and achievements this week.

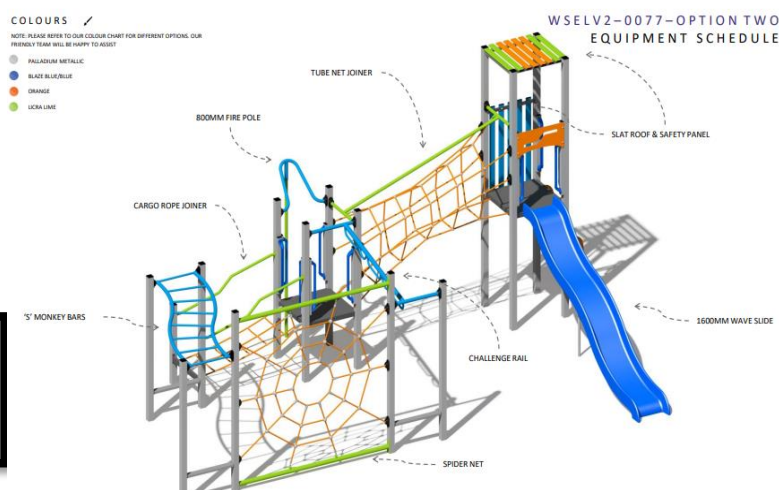

We celebrate working with you to ensure all our students make progress and achieve. Have a safe and happy Sunday, and a fab week. Kind regards, *Beverly Innes*
