Kambarang	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Kambarang: Transformational time of the year October and November</p> <p>Kambarang is the wildflower season with many yellow flowers, orchids, kangaroo paws and banksias in bloom. Even the Balgas will flowers, especially if they have been burnt in the past year. One of the most striking displays of flowers at this time of year is the Mooja or Australian Christmas Tree, where its bright orange/yellow flowers signal that heat is on its way. As many things are undergoing transformation with the warm change in the weather and longer dry periods, October is a time of the year you are most likely to encounter a snake. Reptiles at this time are emerging from hibernation and look to make the most of the warm weather to assist them in getting enough energy to look for food.</p> <p><small>Artwork by Darryl Bellotti</small></p>

Year Five Academic Challenge – Balcatta Senior High School Friday 24 November 2023

The Year Five students performed magnificently during the Year Five Academic Challenge on Friday. Special congratulations to **Team 1-Rebecca, Prisha, Jayden, Alan and Leo** - who achieved second place in this year's Academic Challenge. We missed out by only three points to West Balcatta.

We acknowledge and pay respect to the past, present and future traditional custodians of this boodja, the Wajuk Noongar people, who live, love and raise their koolangka here.

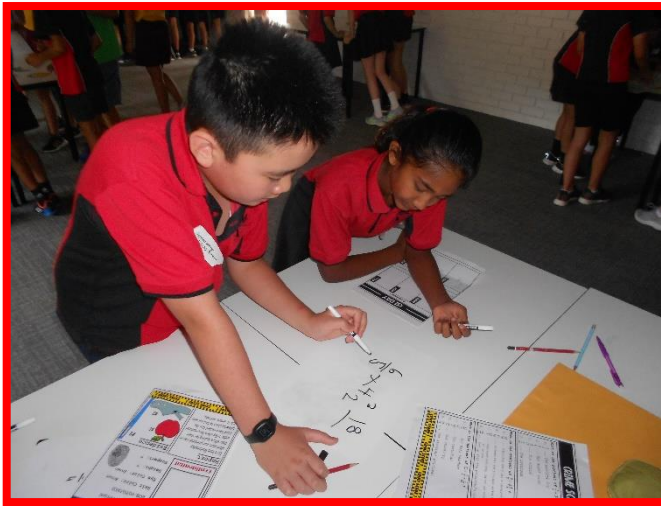

We are the Tuart mort.

We honour the boodja on which we grow, play and learn.

Thanks to all our amazing educators and parents who pull together to ensure whole school events are enjoyable for all our students. And **congratulations to our Raffle Winners!** I hope you enjoy your prizes.

The next step is to gather your sponsor money. **Bring in those dollars from your aunties and uncles, grandparents and family friends.** Every dollar raised may mean another shaded area for our school or more outdoor challenges for students 😊. Our school is always working to improve for the benefit of our students.

Funds raised will be allocated to shade sails over

Perth Wildcats Players Impressed with our Students!

Tuart Hill Primary School could produce a superstar basketball player after the Year 3 Students of Room 2 had a training session with Perth Wildcats players Hyrum Hams and Jordan Usher.

The students engaged in multiple activities that focused on up-skilling their already existing talents.

Usher and Hams took them through a series of drills that focused on speed, precision, and reaction times.

Students then had the opportunity to chat and have photos with the two fan favourites.

Thank you to Mrs. Connolly for arranging this wonderful opportunity for our students.

Student **Finn C** said, *'The incursion was unequivocally the best incursion I have ever been to!'*

Kind regards, **Lucia Di Crescenzo** Year 3 Teacher

Year Five Nutty Characters

The students from Room 8 and 7 have made these characters full of personality from found gum nuts and seeds using glue guns. This has been a great project. The students have really enjoyed challenging themselves creatively and the finished results look fantastic.

NEWSFLASH!

Elliot, Rebecca L, Ashna and Anahad won cash prizes for their entries into the 2023 Osborne Park Show Art Competition! Congratulations!

Kind regards, **Amanda Shelsher**, Visual Arts Specialist

Semester Two Summative Reports

All students will have their **Semester Two Summative Reports** emailed via our school's Connect Community to the parent emails that have been uploaded to our system on Friday 8 December 2023. Please check that you can access your Connect account and contact the Front Office if you have any difficulties. Check with your friends to make sure they access school information through Connect, as this is the preferred Department of Education secure communication platform used by our school.

Please contact tuarthill.ps@education.wa.edu.au if you wish a hard copy to be printed and placed into your child/ren's school bag. We will ensure this is done for you, thank you.

I thank our teachers and Associate Principals for their hard work preparing the 2023 Summative Reports.

2023 Class Lists

2023 Class Lists will be posted on Friday afternoon 8 December onto the Community Notice Boards around the school. Teachers have thought long and hard about the best 2023 educational placement for your child and now

the Principal is the only contact point in regard to 2024 class placements. I will always listen to your views – please come and have a chat if you feel the need; thank you.

Parents will be informed which teachers and support educators have been allocated to which classes in the **January eNews** I send out just prior to school commencing. Quite often circumstances change for individuals and families during the six-week school break, and it is prudent to remain flexible around staffing.

I think our community needs to be extraordinarily proud of the educators who work at Tuart Hill Primary School. Families can expect that all classes are guided by expert educators who care deeply for the positive welfare of the students in their charge and who will work closely with you to give your child/ren every opportunity to make progress and to achieve to the best of their abilities. This is a good school, made so by our excellent staff – and enhanced by our partnership with you. Thank you!

Thank you for sharing our joys and achievements this week.

We celebrate working with you to ensure all our students make progress and achieve. Have a safe and happy Sunday, and a fab week.

Kind regards, *Beverly Innes*

Junior Assembly Monday 13 November 2023

We congratulate our Junior students who received merit certificates at our assembly.

We are proud of how you demonstrate **Ex**cellence, **C**are, **E**quity and **L**earning. Students at Tuart Hill **ExCEL**.
