Term One
Week One

We acknowledge and pay respect to the past, present, and future traditional custodians of this boodja, the Wadjuk Noongar people, who live, love, and raise their Koolunga here. We are the Tuart mort. We honour the boodja on which we grow, play, and learn.

Bunaru Season	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
 <p>Artwork by Darryl Bellotti</p>	<p><i>Bunuru (February - March)</i> The Noongar Season 'Bunuru' is represented by the colour orange and is the hottest time of the year. <i>Bunuru is the hottest time of the year with little to no rain. Hot easterly winds continue with a cooling sea breeze most afternoons – if you're close to the coast.</i> <i>Traditionally this was, and still is, a great time for living and fishing by the coast, rivers and estuaries. Because of this, freshwater foods and seafood made up major parts of the Noongar people's diet during Bunuru.</i> <i>Bunuru is also a time of the white flowers with lots of white flowering gums in full bloom, including jarrah, marri and ghost gums.</i> <i>Another striking flower to look out for is the female zamia (Macrozamia riedlei). Being much larger than its male counterpart, the huge cones emerge from the centre of the plant with masses of a cotton wool like substance.</i> <i>As the hot and dry weather continues, the seed cones change from green to bright red, indicating they're ripening and becoming more attractive to animals, particularly the emu, that will eat the toxic fleshy outer layer.</i> Source: ECU Birak : Noongar Six Seasons : Cultural Leadership : Kurongkurl Katitjin : Centres</p>

Welcome 2025

We extend a warm welcome to the new families and staff joining our Tuart Hill School community this year and trust that you will embrace our school values of Excellence, Care, Equity and Learning as we continue our learning journey into 2025.

I acknowledge and thank all our staff - gardeners and cleaners, front office staff, teachers, support educators and administrators, who have spent significant time over the school break preparing our indoor and outdoor learning spaces and as a result, the positive, welcoming, inclusive atmosphere that you have come to expect at our school is pervasive. Thank you everyone!

Staff worked together during our School Development Days Monday 3 and Tuesday 4 February, reaffirming our whole school directions and consolidating essential knowledge. Thank you to our Presenters who kept us engaged, and thank you, educators, for your commitment to our students and families.

Our community can be extraordinarily proud of the educators who work at Tuart Hill Primary School. Families can expect that all classes are guided by expert educators who care deeply for the positive welfare of the students in their charge and who will work closely with you to give your child/ren every opportunity to make progress and to achieve to the best of their abilities. Our school is a great school, made so by our excellent staff – and enhanced by our partnerships with you all.

School Grounds Update

We took delivery of one more new transportable building, which was installed over the school break, adding to our Year Six student hub. We have also had a team of contractors replace the eaves across the front of the school facing the Staff Car park, all of our evaporative air conditioners have been serviced in preparation for the start of the school year and we have improved the safety around steps and uneven surfaces by highlighting edges and placing non-slip panels where needed. We are anticipating installation of extra shade sails during Term One, as providing shade for our students as they play and learn is a shared priority at all levels of our school community.

Play, Eat, Learn

Following the successful trial of 'flipping' times for recess and lunch throughout 2024, our students will continue to have their lunch play break at 11:10am, where they will enjoy active playing the playground. At 11:30am, students will come in from play and eat their lunch, before returning to class at 11:50am. Between 1:30pm – 1:50pm, students enjoy an afternoon recess break in the playground.

Our school has found **Play Eat Learn** routines very successful, with benefits including:

- students being settled down and ready to learn when they return to the classroom.
- less fights and disagreements on the playground and better classroom behaviour
- students are not rushing through lunch, nor neglecting their food so as to get to play quicker
- students are hungrier when it's time for lunch, so they generally eat better.

We encourage students to eat a healthy snack (Crunch and Sip) as part of our morning classroom routines; please pack for your child a small serve of cut up fruit and/or vegetables, that can be eaten easily by your child as they continue their lessons. More information about Crunch and Sip can be found at [Parents | Crunch&Sip®](#).

Meet the Teacher / Parent Information Evening

Class meetings have been planned for the evening of Wednesday 19 February 2025. Teachers will deliver their Presentation twice: 5:00pm – 5:25 pm then again at 5:30pm – 5:55 pm.

Parents with more than one child at our school select which class meeting to attend first, then you may scoot to your other child's classroom. If you have more than two children attending our school, my advice is to make plans to go to your youngest children's class meetings. You can catch up with the older child's class teacher for their expectations at another time.

Parents who can't attend class meetings for any reason are encouraged to email the relevant class teacher for a hard copy of the Presentation.

We encourage parents to make a short 'getting to know you' appointment early in Term 1 to meet your child's class teacher and have a chat about any concerns, and to outline hopes you might have for your child. Please look for an appointment 'booking schedule' on your class noticeboard after the Class Meeting or access your classroom Connect Community to contact your child/ren's teacher/s to arrange a mutually convenient brief catch-up.

To ensure we are working together for the best academic, social/emotional, musical, artistic, and sporting progress and achievement of your child/ren, please contact relevant teachers directly via their professional email.

Urgent messages need to be directed to the Front Office – 9413 1500 or tuarhill.ps@education.wa.edu.au. I am always available to you – beverly.innes@education.wa.edu.au. I look forward to working alongside our school community for a dynamic year of growth and improvement.

We look forward to continuing to share our joys and achievements throughout the year.

We celebrate working with you to ensure all our students make progress and achieve. Enjoy the weekend, and please chat to your class teachers and /or me if you have any educational query; thank you.

Kind regards,

Beverly Innes, Principal.

Badged Leaders nominated themselves, prepared 'Campaign Posters', and addressed the 'voters' at the end of 2024. The Australian Electoral Commission (AEC) coordinated a confidential voting process for all 2024 Years 4,5 and 6 students and staff, a highlight of the Civics and Citizenship Curriculum. The AEC collated the votes electronically, following the preferential system used by registered voters during Federal and State elections.

Amid much excitement and emotion at the conclusion of the 2024 Awards Assembly, the 2024 Faction Captains opened the envelopes and announced the 2025 Faction Captains and Badged Student Leaders. We are proud to celebrate the following elected badged Faction Captains and Student Leaders:

School Drop Off and Pick Up

Finding a parking spot for school drop-off and pick up is challenging for most Perth metropolitan schools.

Tuart Hill Primary School is fortunate to have a **Kiss & Drive** zone, which, if used correctly, significantly reduces the demand for parking spots around the school.

Our community demonstrates courtesy and patience. Our next step is to help each other to use the Kiss & Drive zone in a manner that encourages traffic flow.

When using the **Kiss & Drive** you need to:

- Drive to the furthest available space in the marked area
 - Stop for 1 minute only
 - Move on as soon as your child has exited or entered the vehicle
 - Make sure your vehicle is not blocking the Disabled Parking Bay
- Circle the block and try again if no spots are available or the child you are collecting has not arrived

Please note that it is not ok for the driver to wait in the car whilst another adult enters the school to drop off or collect their child.

Thank you for observing all council regulations when using the Kiss and Drive so that school drop-offs and pick-ups are safe and stress-free for every member of our school community.

Student Absences

It is important that your child/ren attend school every day.

Attending every day and arriving on time supports children to develop routines, allows them to have expectations around how their day will go and is critical to building strong foundations for learning. Students make the best progress and achieve to their abilities when they attend school regularly.

Missing school equals missing out, socially, emotionally and educationally.

However, we know that germs and viruses abound, and accidents occur. If your child **must** miss school, you may let us know via:

- SMS – **text 0417 931 262** – simply state your child's first name and surname, Year Level, Room Number and a brief reason eg: *Beverly Innes. Year 3 Room 7 – unwell*. Note: this is a no-reply number.
- The Website - <https://tuarhillps.wa.edu.au/information/student-absence/> - fill in the online form.
- Email tuarhill.ps@education.wa.edu.au with your child's first name and surname, Year Level, Room Number and a brief reason eg: *Beverly Innes. Year 3 Room 9 is away today - unwell*.
- Phone the Administration – **9413 1500**

Tuart Hill Primary School works hard to support families and individuals to maintain high attendance rates. Parents may expect contact from your child's class teacher, the Front Office ladies or me, in my Principal capacity, in the event of unexplained and/or persistent absence. We care about making sure every child has the best opportunities to grow and develop and wish to work in partnership with you to maintain high attendance rates.

Our Student Attendance Policy is available on our Website <https://tuarhillps.wa.edu.au/wp-content/uploads/2019/05/Tuart-Hill-Attendance-Brochure-for-Parents.pdf> and, as usual, I welcome conversation with all families to make sure all our students attend every day they can. Thank you.

SCHOOL COMMUNICATION through CONNECT

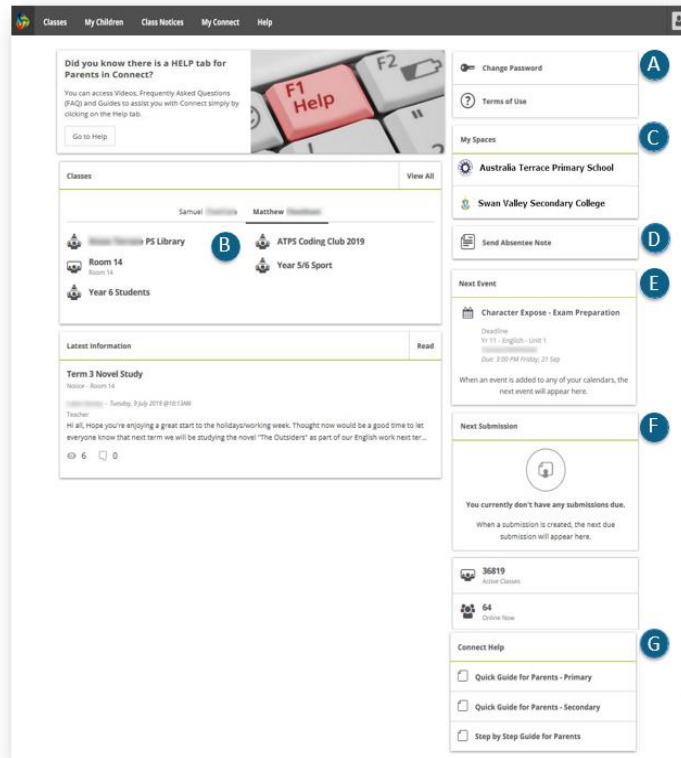

Our school regularly communicates important information with families via 'Connect Now', a free app developed by the Department of Education WA that can be downloaded from Google Play or the Apple App Store. It will enable you to receive Connect Notices as push notifications. Please note: to view some attachments and posts in the Library section within Connect, you will need to log in via your Internet browser rather than via the app.

Canteen

The onsite school canteen will now be open on Tuesdays and Wednesdays. Fresh salads, sandwiches and rolls will be available each day plus daily specials. Icy treats including Froyos will be available for afternoon break (Year 1-6 students only. Tuesday and Wednesday only) Tuesday specials are burgers and Wednesday specials are chicken nuggets and chicken strips with salad. These are the summer menu items. Pizza's will be available again in winter. Birthday Buckets are also back on the menu. Online ordering only, no canteen counter sales for lunch orders. Students must collect afternoon break food like Froyos and popcorn from the canteen (Year 1-6 students only).

Lunchbox Hub online orders will be available on Mondays, Thursdays, and Fridays. This service will continue while we have enough volunteers sorting orders into lunch crates. Volunteer sessions are under an hour each day. [Sign up here](#). No experience required. Any P&C volunteer hours can contribute towards the Centrelink Child Care Subsidy Activity Test. Shifts can be completed with a preschooler. There's a bag of colouring pages and supplies in the canteen for entertainment.

All lunch food ordered online through either system will be delivered to students during their lunch break.

QuickCliQ Orders

Orders can be cancelled and changed online through [QuickCliQ](#) before the cutoff time. Kindy & Pre-Primary do not receive afternoon break orders as canteen staff cannot deliver and teachers cannot pick up. Please do not order these items. Thank you for understanding. All afternoon break items ordered online will need to be collected by students from the canteen at afternoon break time.

If you don't already have an account [sign up here](#)

Lunchbox Hub Orders

Lunchbox Hub is Locavora rebranded. The food is the same, but the website ordering experience is different. Lunchbox Hub has a phone app for placing orders. All food ordered is prepared off site at a local kitchen, clearly labelled and delivered to the school. Volunteers sort the lunches into lunch crates and Year 6 students deliver lunch crates to students at lunchtime.

Please note that the new system allows parents to place multiple orders into their online shopping cart. Each order is confirmed before it is added to the cart. You need to go through the checkout and pay. Once the order has been paid you will receive a confirmation email. **Please thoroughly check your confirmation email.** If you haven't received a confirmation email, your order wasn't completed. We hate seeing sad and hungry students at the canteen.

Orders can be cancelled or rescheduled online before cutoff time on the delivery date. Check out the [schools webpage](#) for more details including a link to the user's guide.
